## Appropriation Increased

The House Appropriations Committee approved Wednesday a budget of almost seven and a quarter million dollars for West Texas State University for the fiscal year beginning Sept. 1.

The proposed budget, which includes four amendments by State Rep. Bryan Poff of Amarillo, is \$50,500 more than requested by the university.

Poff said the total proposed budget, which will go before the full house Saturday, is \$7,242,956.

Poff's amendments included \$15,000 for the development of the Nance Ranch, and \$17,500 for development of the WTSU Nursing Program.

Also included is \$6,000 to the general administration fund and \$12,000 to the general institutional fund.

"We appreciate Mr. Poff's efforts in getting the extra money," said Virgil Henson, vice president for financial affairs. "I think we can exist on this if it is approved by the full House."

Henson said he is optimistic.

"I felt the money for the nursing program was necessary to facilitate its conjunction with Northwest Texas Hospital," Poff said. "The Nance Ranch project can be extremely beneficial to the WT School of Agriculture. A ranch of this nature can be developed into the best type of classroom possible."

The committee also increased by \$12,000 the proposed budget for the Panhandle-Plains Historical Museum on the WTSU campus.

The amount for the museum which will be presented to the full House is \$146,400. Poff said the additional \$12,000 will be used for security purposes at the museum.

C. Boone McClure, museum director, said he was "very pleased" with the proposed budget.

"I talked to them last week at the budget hearing," McClure said. "They agreed we needed security, but I wasn't sure they would go this far."

McClure said the money would be used to install burglar alarms and to hire guards to "work during the day."

"We've needed this for a long time," he said. "In fact, the committee was surprised that we haven't had real guards here for

20 years. We just didn't have the money."

"Right now we are using two of Gene Mayfield's big football players as security men. We haven't had much vandalism here, but it is something to be concerned about," he said.

"In fact," he added, "these six Japanese screens that came in here last week went through Customs appraised at \$2 million."

And when you hang \$2 million on your walls and have no way to protect it, you get ulcers fast."

### Architect Here

## Hospital Plans Studied

Bill O'Connell of the architectural firm of O'Connell and Probst of Austin, was in Canyon Tuesday and Wednesday discussing the first stage planning for the new hospital.

O'Connell said he was discussing the schematic plan for the hospital with Canyon doctors, nurses, South Randall County hospital board members and hospital department heads.

The first stage planning concerns a single-eye drawing of the various areas of the hospital and where they are to be located, O'Connell said.

O'Connell said he expected the

first stage planning to be completed in the next two weeks. He will then meet with the hospital board for their approval of the plans.

The architect will then meet again with the same group of hospital personnel to discuss the plans in detail which is called the design development stage.

The final working drawings for the new hospital are estimated to be ready by March 15, O'Connell stated.

O'Connell was given the go-ahead to begin stage one of the planning for the \$1.5 million, 50-bed hospital at a May 2 board meeting.

The board also revealed plans at the May 2 meeting to issue \$800,000 in revenue bonds to complete financing for the new facility. The revenue bonds will combine with \$800,000 in tax bonds voted last summer.

Plans are to build the new hospital on 10 acres of land between the property of West Texas State University and the National Guard Armory.

Inside today's Canyon News, there are pictures of various youth league baseball teams. Three teams, the Giants of the Little League Minor Division, the Braves of the Little League Major Division, and the American Legion team are missing from today's edition.

These three teams will be featured in the Sunday Canyon News.

In today's edition there are 21 teams from three divisions of the Little League and the Babe Ruth League, as well as girls softball teams.

## Interviews Conducted For WT Security Chief

A decision may be forthcoming in the next few days from the committee chosen to select a new security chief at West Texas State University, says Dr. T. Paige Carruth.

The initial round of interviews began at 1 p.m. Tuesday afternoon. Dr. Carruth, vice president for Student Affairs, said five men were scheduled for interviews Tuesday.

Dr. Carruth said the seven member committee is now in the initial stage of doing some serious consideration of the applicants.

"In our opinion, we are going to talk to some good men," Dr. Carruth stated.

Members of the committee to choose the new security chief are Al Stewart, Canyon Chief of Police; Judge Woody Pond, Randall County Judge; Dr. Carruth; Weldon Trice, assistant dean of Student Life for Men; Mrs. Jean Roberts, associate dean of Student Life for Women; Robert E. Lee, president of the WTSU Student Senate; and Dr. Ron Huffstutler, associate professor of mathematics.

## Moya Pleads In Court Here

Francisco S. Moya, 40, of 235 Ave. E. in Hereford, pled guilty Monday to a charge of murder as a result of driving a motor vehicle while intoxicated and will be sentenced July 31.

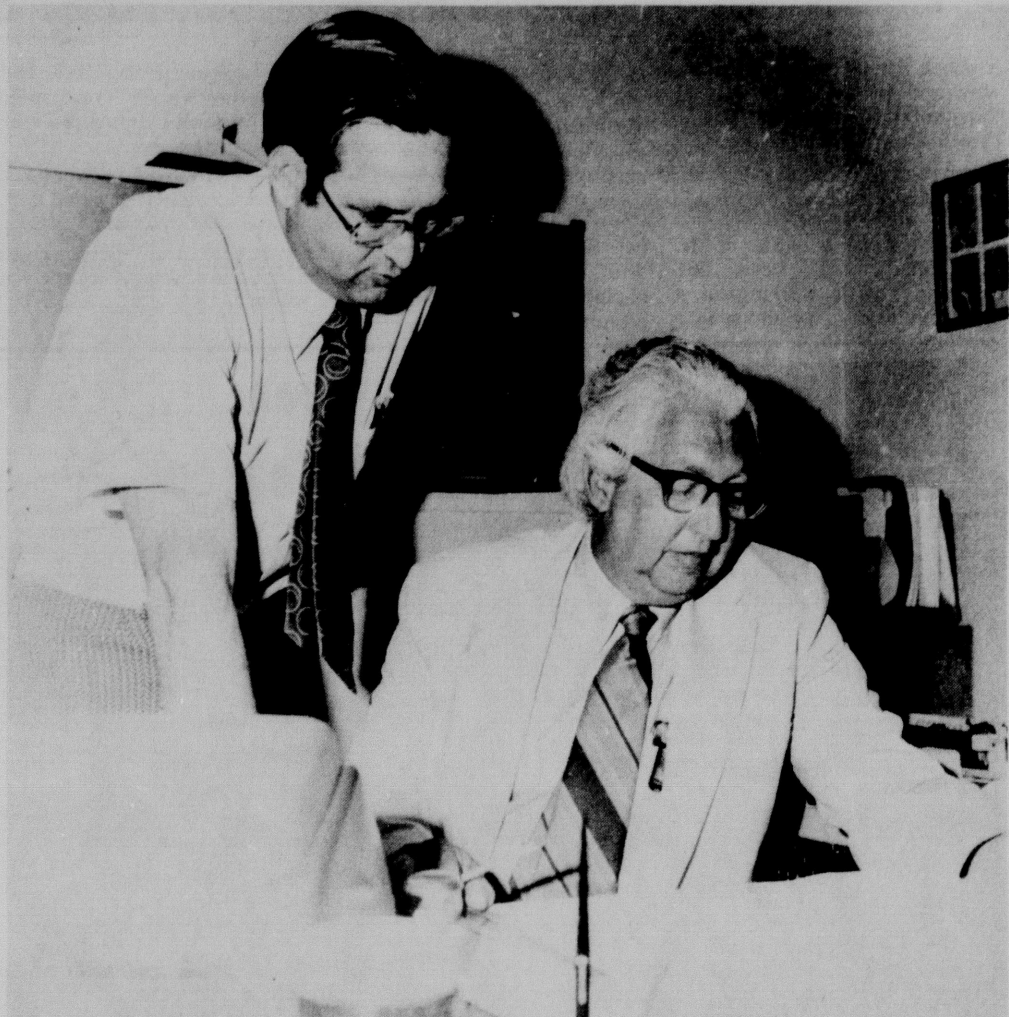

Judge Don Dean in 181st District Court ruled a pre-sentence study would be made and Moya would be sentenced at a later date.

Moya was charged in the death of Don Gregory Perrin, also of Hereford, who was killed in a two-car accident Oct. 9 on the Canyon Expressway north of Bell Ave.

Investigating officers reported at the time of the accident, Moya was traveling north in the south-bound lane of the expressway and Perrin was traveling south when the accident occurred.

Moya testified Monday he recalled driving the automobile and that he was intoxicated. He said he was not sure what happened prior to or after the accident.

Moya said he subsequently found out Perrin was killed and that he was driving the car in violation of the law, on examination by his attorney.

Hospital Administrator Ray Grimes and architect Bill O'Connell of Austin discussed plans for the \$1.5 million, 50-bed hospital with hospital personnel Tuesday and Wednesday. O'Connell estimated the first stage planning to be complete in about two weeks.

## Investigation Continues

A state intelligence agent is continuing his investigation into matters concerning West Texas State University even though the grand jury made no report Monday on Bobby Hudson's testimony.

George Dowlen had no comment on the actions of the grand jury but he said Dan Self, a state intelligence agent with the Department of Public Safety, is continuing his investigation.

Dowlen said last week, he was sure since this was the last meeting of the current grand jury, they would make a report to the next grand jury concerning their findings which need further investigation.

The next grand jury is scheduled to convene July 17.

Hudson, WTSU security chief, appeared before the grand jury about two and one half hours Monday.

After leaving the grand jury room Monday, Hudson said, "It makes for long days and short nights."

Self was scheduled to appear before the grand jury Monday but Dowlen said he was unable to appear.

Hudson was served with a subpoena to appear before the grand jury Dowlen said because of various statements Hudson made publicly, stating he has been trying to appear before the

grand jury for the past three years and has been blocked from doing so.

Hudson has been asked by Dr. T. Paige Carruth, vice president for student affairs, to resign his position at WT effective Friday and is scheduled to be dropped from the university payroll at that time.

Hudson appeared before the WTSU board of regents June 7 in executive session.

Hudson said at that time he told the regents of his efforts to gain a grand jury investigation of certain discrepancies at the university had been repeatedly

(See INVESTIGATION Page 2)

## Canyon Summer Baseball Program Involves Hundreds

More than 330 young people—65 of them girls—have spent most of the summer playing on one of Canyon's 23 baseball or softball teams.

The biggest league is the Canyon Little League, which is composed of 13 teams in three divisions. The Pee Wee Division has 90 players on six teams; the Minor division has 45 players on three teams, and the Major division has 60 players on four

teams. Total league membership is 195.

Richard Pruett is Little League president, and as such oversees the operation of the league.

There are four teams and a total of about 60 players in the Babe Ruth League. League President is Bill Cooper.

Older youths play on the 15 member American Legion team, of which Tom Lair is chairman.

Girls take to the softball fields

in five teams, four of which are sponsored by the Kiwanis Club. Chairman George Blackwell said there are 50 girls playing for the Kiwanis League.

Another girls team, the CanyonKs, is sponsored by a chain of hamburger stands, and play teams from around the Panhandle area.

For the most part, officials of the various leagues have reported much improvement in teams this year.

In the case of the Pee Wee division of the Little League, rules were changed somewhat to allow for more hits and better fielding by the eight and nine-year-old players.

Play tonight at Little League Park will end the season for the Little League Majors, and the Babe Ruth League will complete its season Saturday.

Other leagues will end play in mid-July.

Team photos appear throughout this edition of the Canyon News.

**COVERING FUMBLE**  
by Dean Mitch Jones

The three most frequently used excuses given by boys and girls for questionable behavior were:

Others are doing it—  
Everybody is doing it—  
It is unrealistic to expect people to be strictly honest—  
And they were often supported in both word and example by their elders in our society.

Workmen were in the process this week of cleaning up the debris from the burned out Lexington Motor Inn after the City of Canyon wrote a letter dated June 14 giving Zolon Wilkins, Sr. 10 days to begin the clean-up operation. The Lexington burned March 14 in a \$350,000 blaze. Wilkins Jr. said at the time the letter was written every possible effort would be made to remove the debris.

## Commissioners Recommend Changes In Three Laws

Randall County Commissioners signed three resolutions Monday presented by the Texas Association of Counties recommending amendments to three state laws.

The resolutions concern the

Trailer Brake Law, the New Jury Law, and the Legislative Property Tax Study Committee.

The Legislative Property Tax Study Committee was appointed to study the ad valorem tax in Texas and is financed by adding \$1 on each delinquent tax receipt.

The bill also changed the date for taxes becoming delinquent from July 1 to Feb. 1. The Association of Counties recommends the date be changed back to July 1.

The study committee is scheduled to meet in Amarillo in July or August.

The resolution concerning the trailer brake law recommends in the bill as they apply to farm trailers and other small trailers.

The new Jury Law requires once a person is challenged or struck off a panel by either side to a law suit, he is excused from further jury duty. The County Association feels this is an unnecessary expense to the taxpayers.

All three resolutions ask Gov. Preston Smith to open the special session to consider amendments to these laws.

Joe West, county road superintendent, reported to the court, seal coating on county roads should begin next week.

West said the road crew would

begin on Arden Road, between Bell Ave. and Coulter Road. One half of the road is in the city limits of Amarillo and West said he would ask the city of Amarillo to share expenses on seal-coating the entire road.

Commissioners postponed a decision on cancer insurance until the next meeting due to the absence of Commissioner Glen Dowlen.

West was also asked to make a survey of the condition of automobiles in the sheriff's department and report to the commission Monday.

George Ritter, parade marshal, will lead the parade, followed by a color guard and the Air Force band from Sheppard Air Force Base at Wichita Falls.

Local city and county dignitaries, as well as a small host of politicians, will ride in the parade.

In addition to a wide assortment of floats, Boy and Girl Scouts will be on hand, along with the Kiva Drum and Bugle Corps, the Kiva Shriner Band.

There also will be old cars and lots of horses.

## Sheriff's Posse Raises Pony Express Purse

The Randall County Sheriff's Posse is raising the entry fee for the July 7 World Championship Pony Express contest from \$10 to \$100 per team, and an additional \$600 is being added to the purse.

If present interest holds, there should be \$2,000 in the purse, which will be divided among the first, second and third place teams.

The first place team will receive a hand-tooled traveling saddle bag trophy. The trophy may become permanent possession of a team if that team wins it three consecutive years.

Entries in the race thus far include Swisher County Sheriff's Posse, Plainview Red, Plainview Blue, Floydada Sandhills, Lub- (See SHERIFF'S Page 2)

**Page One Musts...**

### Sales Tax

The City of Canyon received a sales tax check for the first quarter Wednesday in the amount of \$18,558.78, according to City Manager George Louder.

The check for the preceding quarter was for \$16,669.60 and the check for the first quarter last year was \$14,156.25, Louder said.

The current check is a 31 per cent increase over the check last year, Louder said.

A check for \$2,820 from the Noon Lions Club was presented Tuesday to members of the Canyon Division of the Opportunity Plan, Inc. Frank Castleberry, member of Lions Club, Milton Morris of the Opportunity Plan, Inc., Mrs. Lila Vars and Judge Woody Pond, members of the Canyon Division Committee were present for the presentation.

## Fourth Of July Seen As 'A Holiday Of Mourning'

The Texas Department of Public Safety says the extended Canyon Division Of OPI Receives Funds From Lions

The Noon Lions Club presented a check for \$2,820 Tuesday to the Canyon Division of the Opportunity Plan, Inc., from 1961 to 1971 was transferred to the Canyon Division by Milton Morris.

The Canyon Division has also received \$200 from the Lions Club for 1972 and \$275 from the Canyon Division Committee to bring the total in the account to \$3,295 in the Canyon account.

The contribution from the committee was made at the meeting June 9, according to Mrs. Lila Vars, treasurer.

Fourth of July holiday weekend is very likely to turn into a "holiday of mourning," despite increased patrols along the state's highways.

There will be an estimated 58 persons killed in the state because of traffic accidents between 6 p.m. Friday and midnight Tuesday, according to DPS predictions.

"Plus all that," said Major C. W. Bell, commander of the DPS Lubbock region, "there will be violent deaths attributed to things other than traffic accidents."

It is predicted that the second highest number of deaths will result in swimming and boating accidents, followed by shootings and stabbings, improper operation of fireworks and housefires.

Major Bell said all available Highway patrolmen will be pressed into service for "Operation Motorcade," a program that is designed to keep the public constantly aware of traffic deaths and situations that might result in extra hazardous driving conditions.

Bell said patrolmen will watch particularly for speeders and drunk drivers. He said speed and alcohol are the chief causes of highway fatalities.

Another cause, he said, is public apathy.

"The public has the attitude that fatalities happen everyday," Bell said. So they accept this simply as a fact of life. But, to the average motorist, fatalities can happen only to the other driver. "The pitiful thing about it is that we all could drive twice as safely as we do. But, most motorists don't and I can't categorize them as anything except people with a flagrant disregard for the lives of others."

### Investigation. . .

(Continued from Page 1)

blocked over the past three years.

Chairman of the Board Cloyce Box said he would not comment on Hudson's appearance.

The appearance of Hudson before the grand jury was listed as "Bobby Hudson Investigation" with Hudson as the only witness Monday.

Six persons were indicted by the grand jury Monday. They are:

Karon Patterson, 19, of 2509 Vernon in Amarillo, forgery and attempting to pass a forged instrument.

Benjamin John Pikulski, 24, who is now in jail in Linden, New Jersey, theft.

Paul Dean Mitchell, 23, of 1004 N. Hayden in Amarillo, theft by bailer.

Leo Bert Mullin, 52, of Turkey, Texas, DWI, II.

Jimmy Gonzales, 19, of Box 654, Ft. Sumner, N.M., forcible rape.

Robert Sena, 17, of 1104 N. Harrison, Amarillo, forcible rape.

### WT Professor Presents Paper

Dr. Gene O. Carlisle, assistant professor of chemistry at West Texas State University, will present a research paper at the Rocky Mountain Regional Meeting of the American Chemical Society.

The meeting will be in Fort Collins, Colo., Friday and Saturday.

The paper, entitled "Polymetallic Oxovanadium (IV) Complexes of N-(2-Hydroxyphenyl) - 2 - Hydroxynaphthaleneimines with Anomalous Magnetic Properties," was written by Carlisle and Donald Crutchfield, a graduate student of Amarillo.

Crutchfield produced some new compounds and investigated the magnetic properties of these, Carlisle said.

The research was supported by a grant from the Robert A. Welch Foundation of Houston and funds from the WTSU Chemistry Department.

The paper will be published in the Inorganic and Nuclear Chemistry Letters, a chemistry journal, Carlisle said.

Since its acceptance for publication, three other WTSU students have become involved in the research. They are Dale McKnight, Kress sophomore, Oscar McNabb, Dalhart senior, and Gregory D. Simpson, Amarillo senior.

### Wesleys Have Twin Daughters

Twin girls, Christy Gale and Misty Dawn, were born to Mr. and Mrs. Harley Wesley, Rt. 3, at Neblett Hospital on May 24. Christy weighed 5 lbs. 13 oz. and Misty weighed 7 lbs. 6 oz. at birth.

The Wesleys have two other children, Margie, 4, and Barbara, 3.

Maternal grandparents of the twins are Mr. and Mrs. R. B. Turner, Rt. 2.

The paternal grandparents are Mr. and Mrs. Luther Wesley, residing west of Canyon.

# Palisades Palaver Seitz Recovers - Keystone Cops Drill

By VICKI HOOKER

A GREAT BIG hearty "Welcome Home" to Kenny Seitz, 14 year old son of Gerald and Nadine Seitz. Kenny came home from the hospital last Monday after having a collision on his motorcycle last week. As I understand it, he was chasing rabbits on top of the canyon with three other boys. Mike Hooker, Bill Dustman and Eddie Jeffers, when Kenny fell in a hole and was forced against his handle bars. As a result his spleen was ruptured, so the doctors had to remove it, plus emptying a pint of blood from his stomach.

THIS ALL HAPPENED the early part of last week, so all in all he was in the hospital for about one week. He is home now and doing fine after having his sixteen stitches removed last Wednesday. He says his stomach is awfully sore and he's having a hard time maneuvering. We're certainly glad his injuries weren't any more serious than they were and that he's doing well.

SUNDAY WAS A bad day for cookin' and a good day for a barbecue! And if you missed it, well, sorry 'bout that! As far as the treasury went, we didn't make a great big profit, but everyone seemed to be having a fine time just being together. The food was excellent, and the board thanks all who came and made it a success. There was a lot of meat left over, and something has been mentioned about maybe having a barbecue sandwich supper sometime in the future. But more on that later!

DONATIONS FOR THE bridge are coming along fine. Our treasurer, Dan Bailey, said he deposited \$355 more in donations last Monday to bring the total to around \$500.00. Keep it coming in and it won't be long until we'll have a real live two-way bridge again!

OH, YES! DAN wanted me to mention that sometime in the very near future, road crews will be working on the roads on the north side with blacktopping. So don't any of you on that side start feeling slighted! They're working your way.

DID YOU KNOW we are going to have a wedding in Washington Park? Ann Johnson, daughter of Wanda and J. R. Johnson, has asked permission from the board to block the roads going into the park area on a certain afternoon in August so she can have her wedding without being interrupted by cars and motorcycles. I'll have more on this later, but it sure sounds exciting!

AND HERE COME the Keystone Cops, revived! Oh no it's not. It's our volunteer fire fighters! The two Palisades crews have had the truck the last week and have been learning to operate all the gadgets. They got together Sunday afternoon and practiced drafting water from the creek. Of the ten men committed, six of them came to the practice,

and according to Paul Fleming, it was a very good training session. (By the way, Paul was the one who thought they looked like the Keystone Cops!)

THE PRECINCT 1 Volunteer Fire Department will have a meeting in July to set a date for a get-together of the men and their families. Things are really beginning to roll, and I think we should be very proud of our men.

WEDNESDAY NIGHT BEFORE last was a very exciting night at the creek, and once again the men in the white hats proved that the best men always win!

SOME YOUNG MEN were caught trespassing, and the situation got pretty hot before all was said and done. The sheriff was called, and those young men were taken to Canyon and fined \$59.00 each. None of them could pay so they spent the night in jail. Of course they claimed to be guests of Palisades residents.

THE MORAL OF the story is, if you have guests, stay with them. If they go to the creek, you should go too. It will save you and your guests a lot of unnecessary hardships!

HAPPY BIRTHDAY TO Judy Webb who celebrated her 7 birthday today. Hope you have many, many more!

DO YOU KNOW anyone who's interested in wild life photography? I hear D. L. Brackeen has some very rare collections of snapshots of speedy turtles and hungry road runners!

MANY OF YOU will appreciate this little story told me by my mother-in-law. Did you hear about the little boy who was showing his friend through his house? When they reached the bathroom, he pointed to the scales and said, "And this is where Mommy measures her feet every morning!"

THAT'S ALL FOLKS! See you next week!

## Lake Tanglewood News

NEWS THIS WEEK will be short and sweet due to trips, vacations and out-of-town guests. Maybe when everyone returns they'll have some exciting news.

CHURCH MEMBERS MET outside last Sunday. Fewer were present than usual because of vacations. Only about 100 members were there. Everyone enjoyed the special music, "The Lord Is My Shepherd" and "Loving for Jesus," sung by Margo Cox and Mota Maye Russell, and the sermon delivered by Dr. Newton Robison, church minister.

TRAVELLING ARE RUTH and Jim See, who are attending a family reunion in Caprica, Kentucky. Dorothy Jo Blackburn, who is visiting a daughter in Colorado Springs and baby-sitting for her while she moves; Jody and Rovina McNayer, Buddy and Jean Owens and Nelson and Jan Cash, who are all on a fishing trip in Colorado. We hope they all have enjoyable and safe trips.

A WARM WELCOME to Sam and Mamie Hunter's guests, Mr. and Mrs. Jack Davis and son

Mark, who are here for a week from Irving.

THE ANDY WILLIAMS Show and Englebert Humperdink were the highlights of a recent trip taken by Mel and Don Potts to Las Vegas. They both enjoyed the shows very much.

BETTY AND JIM Thomas went to Dallas recently and wound up buying a new Murtex boat. They are really thrilled over their apricot-colored investment and can't wait to get it in the water!

CONGRATULATIONS TO DONNIE Westfall, twelve-year-old grandson of Claudine and Lawrence Van Doran. Last Sunday he won his thirty-eighth trophy as a motorcycle racer. He won a first place trophy last Sunday at the Pit in Amarillo for the Mini-Man races. Again, congratulations to him.

SPEAKING OF THE Van Doran's, they left today for El Paso to see their daughter. So if you have news, please contact Lorene Walker, 622-0231. Thank you.

SO LONG-

W. A. Warren accepted a plaque Tuesday on behalf of Warren's Department Store for 50 years association with the Florsheim Shoe Company. John Mallon, southwest representative with Florsheim presented the plaque.

## News Brief

Mrs. Lula Myers Johnson has returned to Denver, Colo., after visiting with Mr. and Mrs. Luke

Miller, 300 14th St., and other friends in the Canyon area. Mrs. Johnson, whose husband

Rufus recently passed away in Denver, plans to move to Canyon in the near future.

## Three At A&M Ranked High

Three Canyon students have earned "Distinguished Student" ranking at Texas A&M University, College Station, based on averages for the spring semester just completed.

Canyon students are William R. Lumry, son of Col. and Mrs. Raymond H. Lumry, 505 Taylor Lane, senior mechanical engineering major; James Breitling, son of Mr. and Mrs.

James D. Breitling, Sr., Route 1, junior agricultural economics major; and Billy Lee Reynolds, son of Mr. and Mrs. Chester Reynolds, 1312 3rd Ave., sophomore mechanical engineering major.

In order to qualify for the distinction, students must have attained at least a 3.25 grade point average while taking a minimum of 15 hours and receiving no grade below "C."

## Major Miller Graduated At Air Force School

Major Ralph E. Miller, son of Mr. and Mrs. James E. Miller, 170 22nd St., was graduated June 2, from the U.S. Air Force Command and Staff College at Maxwell AFB, Ala.

Major Miller received intensive training in advanced military leadership, management and the use of aerospace forces.

Don Stribling is Health Volunteer

Don Stribling, son of Baldwin J. Stribling, 2421 13th Ave., will volunteer his services as part of Mobile Health Fair at Anton Chico, New Mexico, June 26-July 1. He represents the congregation of the First Presbyterian Church.

Don will be part of a health team composed of a doctor, a dentist, three dental technicians, a registered nurse, a youth leader, and five or six volunteer teenagers. They will combine in a project of health education for people of isolated communities in the New Mexico area who have little or no access to professional medical care.

The Mobile Health Fair project is sponsored by the United Presbyterian Board of National Missions. Since 1966 the project has attempted to help in long-range community development by involving local people in the planning and use of resources offered.

## Giants Tops In Minors

In the Minor Division of the Canyon Little League, the Giants are out front in the three-team lineup.

The baseball season ends for the division July 10.

Friday night, the Giants will take on the Cubs in action at 8 p.m. in Little League Park, and at the same time Saturday the first place team will play the Phillies.

In recent action, the Phillies dlobbered the Cubs 17-10, while the Giants kept their top standings by beating the Cubs 18-14 last week.

In other games last week, the Cubs downed the Phillies 16-10, and the Phillies edged the Giants 9-5.

## Dodgers Lead Major Teams

Two games tonight in the Major Division of the Canyon Little League will wrap up the season.

At 5:30, the last place Astros will play the Braves, and at 7:30 the first place Dodgers will take on the Red Legs.

The Dodgers held on to their first place lead Monday with a 16-15 win over the Yankees.

Other play in the past week saw the Red Legs beat the Astros 18-16, and the Braves downed the Yankees 4-2.

In other action, the Dodgers and Astros tied 17-17 in action last week, while the Yankees defeated the Red Legs 31-7. Dodgers bested the Braves 14-7, Astros downed Yankees 11-4 and the Braves posted a 15-6 win over the Red Legs.

### MAJOR DIVISION STANDINGS

Team	Won	Lost
Dodgers	11 1/2	3 1/2
Red Legs	8	7
Braves	7	8
Yankees	7	9
Astros	4 1/2	10 1/2

### News Brief

Mrs. Billie Miller, daughter of Mr. and Mrs. Luke Miller, 300 14th St., visited briefly with her parents as she traveled to and from the Federal Narcotics School in Oklahoma City, coming from her home in Dallas. She has completed a narcotics course required in her work as a Dallas City Policewoman.

Garage sales offer a personal touch and variety seldom matched since the disappearance of the old-fashioned general store. Here a proprietor straightens her merchandise after a flurry of visitors.

## Canyon Mini Markets Thrive

Any woman who can turn a garage full of old clothing, dishes, and vacation souvenirs into an asset—the kind with a dollar sign before—deserves the undying gratitude of her family not to mention recognition by the news media.

But gratitude is really not what the typical Canyon housewife is seeking who undertakes a garage sale. She can expect to turn a tidy profit of not less than \$50 for a modest effort, up to hundreds of dollars, depending on the number of women joining her and the items for sale. With that kind of money she can afford to buy new drapes or even leave her husband.

Or he might leave her. One bewildered male unloading a dinette set from a pick-up was heard to say, "You know, I was just eating breakfast on this table a few minutes ago when someone pulled it right out from under us."

The garage sale, one can note with comfort, is a thriving institution in this age when American institutions are crumbling. Nearly a dozen were under way in Canyon last weekend.

The "clear-out, clean-up, and cast-off" operation may seem outwardly simple. But a lot of tough decisions are involved.

People don't part easily from long-treasured items like those recently on display in the quiet byways of Canyon unless prodded by an iron resolution. How else could you explain priceless memories like a lacquered blowfish going for 50 cents, a spangled ballet costume for 75 cents, a decoupage handbag for \$1, an antique peach peeler for \$10, a waterproof tent for \$40, and an English tandem bike for \$60?

Having a garage sale is one way a woman has of announcing to the world things have changed, or if they haven't they're going to. These mini-markets that spring up like mushrooms in backyards and drive-

ways give notice that Susie is out of the playpen. Johnnie has grown two inches and is ready for a larger bike, or the kitchen has been redone and the old refrigerator is out.

Some items are less difficult to part with than others. Take that hamster on Holman Lane that was priced at \$2.50, including cage and food. While the innocent creature frisked about on his wheel, the seller murmured defensively, "My daughter just didn't keep the cage clean and remember to feed him..."

Also, a garage sale, giving or going to, is one sure-fire way of getting out of one's shell and mingling with the world. In other words, it's a social institution just as indigenous to the United States as a date, rug and hash-

## Art Club Hears Talk

The Palo Duro Porcelain Art Club met at the Canyon Community Center on Friday, June 16, for a business meeting and lecture by Mrs. Anna Ruth Erwin, Mrs. Frances May, president, presided.

Mrs. Erwin demonstrated blue on white and gave a history of its origin. She told how various blue colors were brought to America by the Dutch, who decorated their homes with Tole ware and blue and white pottery and designs taken from Bible verses and German hymns.

Mrs. Merle White showed a blue onion plate, an heirloom in her family for 85 years.

Hostess for the day was Mrs. Ruby Jennings. Members present were from Amarillo, Canyon, Claude, Happy, and Hereford.

The next meeting will be a workshop in the Community Center on July 21.

ish market would be to Beirut, Lebanon.

Can you think of a better way to find out your neighbor's shoe size, that she handknits sweaters and paints owls on burlap, that her husband won a bowling trophy, or that the whole family once camped at Yosemite National Park?

Of course, managing a successful garage sale requires a lot of know-how. Here are a few wise tips.

Let no hint of defect in merchandise leak out—don't worry, the customer will find these out soon enough. If a minor flaw is called to your attention, graciously cut the price. If a major flaw is disclosed, say the item belongs to someone else.

About pricing. Think of some ridiculous sum and then lower it 50 cents. One immutable law of merchandising is that one never cuts prices before high noon—of the first day, that is.

Give the buyer a feeling that he's on a mission of discovery. Have as many items and as varied as possible. The good items look just that much better when juxtaposed with junk—junior's sneakers that never really fit him will be grabbed up right away if you toss them casually in with those pointed-toed, spike-heeled pumps no one in her right mind would buy.

One word of caution is due. In the confusion of the morning's rush, avoid selling any of your husband's tools, the garden hose, or lawn furniture that might be about.

Above all, maintain the cheerful philosophy expressed in the large sign exhibited at a sale on Third Avenue: "If you don't like our prices—haggle!"

# Tidbits here and there

**By CAROL CRAIN**  
**NEARLY A HUNDRED PERSONS** attended the membership tea for the Women's Division of the Canyon Chamber of Commerce Saturday at the J. Manly Bryan home.  
Hostesses served filled pastries, strawberries, seedless grapes, and cantaloupe balls with coffee to those attending. Betty Markham was in charge of the refreshments, I understand.  
Summer frocks, both long and short, were worn by the women there. The creations were all colors from the citrus orange, lime, and lemon to the earth colors.  
If you missed the tea but would like to have information about the Women's Chamber contact

Virginia Cotton, division president; Edith Davis, membership chairman, or myself. The more interest that is stimulated within the Chamber the better for our community. (Besides, we need your help!)

**THE TOP OF TEXAS DISTRICT** of the Texas Federation of Women's Clubs will have a workshop for all club presidents, district board members, yearbook chairmen, and all other interested members to day at 1 p.m.

The meeting will be held at the Federated Clubhouse in Amarillo and reveal pertinent information for the administration of 1972-74.  
District prexy Mrs. Don Max Vars will lead the meeting.

**THE JUNE KI-NOTES** (publication of the Kiwanis International for the Texas-Oklahoma District) mentioned that the Canyon Key Clubbers were cited in a recent KEY-NOTES magazine for gathering 4,950 cans of food and getting them to the High Plains Children's Home and other needy.

**THE ABOVE PUBLICATION** also noted that many Pancake Days were held throughout the area in order to raise funds, a

Hayloft Party will be revived at Lampasas as part of the Spring Ho Festival to be held July 13, 14, 15.

A Western Art Show was held at Bexar with painting sales revenue of \$68,515 and ticket receipts of \$5,519.

The club was still taking orders on Texas Barbed Wire. Proceeds from the annual show go to help the San Antonio Children's Shelter and other good causes.

**THE WTSU BOARD OF REGENTS APPROVED** the removal of curfew for upperclasswomen the Phoenix Club Newsletter reported. "Dormitory hours for upperclasswomen have been 11:30 p.m. Sunday through Thursday and 1:30 a.m. Friday and Saturday.

Sophomore and Junior students under 21-years old must have written permission from their parents to avoid curfew. All Freshman women will continue to have restricted hours."

**IN A LETTER FROM LOUISVILLE, KENTUCKY** Mrs. Doris Moore reported that Bill Moore has recently returned to Canyon after a ten day

visit with his mother.

"A true Texan saw and visited some of his Kentucky Heritage," she wrote.

Doris' address is 226 Mt. Holly Ave. in Louisville, Ky. 40206.

**TRAVEL TIDBIT:** See the Eiffel Tower in America! That is, a replica of the tower built one third its size is now standing at King's Island a new tourist attraction in Ohio.

From the top of the tower tourists can view the five different sections of the park.

For more information you may write King's Island, P. O. Box 400, Kings Mill, Ohio, 45034

**THE STEVE MOSS'** entertained persons on their block with barbeque chicken, potato salad, and baked beans, this weekend-as cookouts are truly in season.

No doubt many, many Canyon families have invited friends and neighbors over to enjoy the barbeque-a truly great part of our Texas Heritage.

**AMONG THE OUT-OF-TOWN** Guests at Bea Thompson's wedding to Winston Chase Clark, Saturday evening, was Congressman and Mrs. Graham Purcell. (Mrs. Purcell is the former Nancy Attebury of Amarillo.)

One of their gifts to the bride was the Congressional Cookbook which gives recipes of all the US Congressmen, Senators, the Cabinet, as well as the President.

I was hoping to use a recipe enclosed in the volume but it is on its way to Dallas and the couple's home-perhaps later some of them can appear here.

**INTERNATIONAL RECIPE FIND:** A recipe favorite in England by native Mrs. Archie Tarter of Farwell, as recorded in a recent State Line Tribune is great for summer.

**THE ENGLAND TRIFLE**

Line a bowl with slices or small chunks of any kind of plain cake (pound cake, white cake, or strawberry shortcake shells work fine). Make cherry or strawberry gelatin (cooled) and pour over cake. Now let gelatin set firm then add one can sliced peaches, or fruit cocktail.

Use only part of the juice and one small package frozen strawberries (thawed) and put over chilled cake. Take vanilla pudding which has been cooked and cooled. Spread over fruit. Add whipped cream and garnish with crushed nuts.

## Christian Named To Who's Who

State Rep. Tom Christian of Claude was recently named to Who's Who in Politics in the South and Southwest.

The book, to be published later in the year, provides a resource of biographical data of men and women who make up local state and national government.

Rep. Christian was elected to the Texas House of Representatives in 1968 and ran unopposed for a second term in 1970.

He is currently serving on the committees on Revenue and Taxation, Parks and Wildlife, Elections, Penitentiaries, and Business and Marketing Affairs.

He is also a director of the Panhandle Livestock Association and the Panhandle-Plains Historical Society.

## News Brief

Mrs. A.L. Triplett and son Don, spent Father's Day with her father, Roy Wreath, in Mutual, Okla.

Spending Father's Day with A. L. Triplett, 608 7th Ave., were his son's family, Mr. and Mrs. Charles Triplett, Larry and Mike of Hart, and Richard.

## Umbarger News

# Community Group Gathers

By SUSAN DOLLE

**THE UMBARGER COMMUNITY** Association social held last Thursday evening was attended by 35 adults and many young people. The group was informed by the board of directors of its recent activities. The board has been instructed by the Canyon School Board to meet with Ed Wieck and Roscoe Richardson to draw up an agreement to lease the gym. The association would pay utilities, minor upkeep and insurance. The lease would expire if the gym would need to be used for school functions again or if the building could be sold for a profit.

**THE ASSOCIATION VOTED** to hold a garage sale in August. Instead of dues, it was voted to pass the hat at each meeting. Homemade ice cream was served to the group; forty-two and other games were played during the evening.

**RECENTLY-ELECTED OFFICERS OF THE** Knights of Columbus Council will be installed at the July meeting. The officers include: Sylvester Batenhorst,

grand knight; Bernard Hartman, deputy grand knight; Charles Batenhorst, warden; R. D. Friemel, lector; Robert Friemel, chancellor; Melvin Wieck, recorder; Robert Koch, treasurer; Ed Wieck, advocate; Dennis Hartman, inside guard; Howard Koch, outside guard; Ben Koch, Carl Hartman, and E. A. Stocker, trustees; Jack Brandt, financial secretary; and Monsignor Matthew F. Schafle, chaplain.

**FUNERAL SERVICES FOR** Mrs. Matilda (Tillie) Friemel were held in Kingfisher, Okla. yesterday at 10:00. Mrs.

Friemel, 67, formerly of Umbarger is survived by three daughters.

**ATTENDING THE FUNERAL** mass from this area were the Richard E. Friemels, Herbert Friemels of Hereford, L. A. Haschkes, Ted Friemels of Groom, Ray Gerbers and Vickie, and Mrs. Tom Sanford and Michelle.

**MR. AND MRS. BERNIE** Starker recently traveled to San Diego to visit their daughter and son-in-law, the Jim Smothermans. They toured many California sites. Returning home with them was their 13-year-old grandson, Ricky Vaughn, who will be staying with them and the Alfred Bueckers during the summer.

**PISTOLS AND PETTICOATS** Square Dancing Club will dance this Sunday evening at the Parish Hall with Herrick Allen calling. A "Cool It" night will be featured.

**HANDLE BAR HILLS** of Amarillo held another successful series of motorcycle races at Panhandle Downs last Sunday. Tuggie Tuckness (of television

cartoon fame) and Don Beer promoted the amateur contest. Trophies were given to the drivers who range in age from 13 to 32. The track now has painted railings and a good track in spite of the prevailing dust. The next race will be held July 4 with professional racers entered.

**MR. BILL HICKS**, who recently suffered a heart attack has been home from the hospital about 10 days. Mrs. Hicks reports that he is doing as well as expected at this time. He will be recuperating for several months.

**CONGRATULATIONS AND BEST** wishes to newlywed couple, Mr. and Mrs. Howard Koch, who are residing in Canyon at 1709 6th Avenue. Married in St. Mary's Church on June 17, the couple celebrated their marriage with relatives and friends. Mrs. Koch is the former Laticia Thompson.

**MRS. AMALIA H. BRACHT** of the Umbarger Post Office reports there will be no window service on Independence Day, July 4, but there will be normal lock box service. The lobby will be open from 7 A.M. to 7 P.M.

# Charley Erwin Rites Set For 5 P.M. Today

Funeral services for Charley Bryan Erwin, 76, of 2613 9th Ave., a longtime Randall county farmer and rancher who died about 8:30 a.m. Tuesday in Neblett Memorial Hospital, will be at 5 p.m. today in the First United Methodist Church.

The Rev. J. Frank Peery, pastor, will officiate. Burial will be in Dreamland Cemetery under the direction of LaGrone Funeral Chapel.

Mr. Erwin was born in Kansas on Aug. 20, 1921, at Woodward, Okla. He and his wife celebrated their 50th wedding anniversary last year.

Mr. Erwin was a member of the First United Methodist Church, where he was active in the mens Bible class.

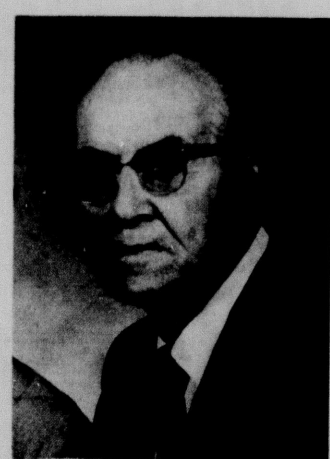

He was a veteran of World War II, and he served for 20 years on the Canyon School Board. He was a director of the Farm Bureau and served on the Randall County ASC Committee.

The family has requested the memorials be in the form of contributions to the donor's favorite charity.

Mr. Erwin is survived by his

wife, Elta; two sons, Kenneth and Harold, both of Amarillo; a daughter, Miss Donna Erwin of Austin; a brother, Frank Erwin of Amarillo; five sisters, Mrs. Blanche Stone of Oklahoma City, Mrs. Bertha Barnett of Woodward, Mrs. Alma Reed of Borger, Mrs. Ruth Barnett of Washburn, and Mrs. May Barnett of Amarillo; five grandchildren and three great-grandchildren.

Funeral services will be Arley Barnett, Robert Erwin, Ricky Barnett, Vance Reed, Jim Fletcher, Verland Erwin, Richard Erwin and Dale Reed.

CHARLES ERWIN

What's electricity been doing lately?...Getting ahead with the

# POLLUTION SOLUTIONS

Providing enough power to take the smoke out of smoke stacks . . . to operate new urban mass transit systems . . . to recycle junk metal for new uses . . . whatever ways engineers, scientists or technologists think up to reduce or eliminate the many varieties of pollution, chances are Reddy will be their right-

hand man. Electricity is the cleanest, most versatile form of energy that can get the big jobs of environmental cleanup accomplished. It'll take a lot of brain and power, but that's a natural part of Reddy's job — serving tomorrow's needs today.

Vacationers Alight Or Take Off

By TROYCE MULHERIN

**MR. AND MRS. Mac Thrash** and Pam and Kim have recently returned from a trip of over 2500 miles. The Thrash family together with Mac's father and mother, Mr. and Mrs. Herman Thrash of Liberal, Kansas, and Mac's aunt, Mrs. Ruby McKnight of Boise City, Oklahoma, took in the fun at Six Flags over Texas, and then headed for New Orleans. While Mr. and Mrs. Herman Thrash and Mrs. McKnight enjoyed the doing's and talking connected with a family reunion, the Thrash family from Amarillo toured New Orleans, taking in the French Quarter and other sights. Having some friends living there in New Orleans, Mrs. Thrash says the family saw absolutely everything there is to see.

**THEY LEFT NEW Orleans** via the Pontchartrain Bridge, which is advertised as the longest bridge in the world, and which lies across an inlet of the Gulf of Mexico. On to Biloxi, Mississippi, where they ate at a restaurant situated out over the water. From there they spent some time in Vicksburg, touring the old homes and national monuments, including a tour of the Vicksburg National Military Park, and enjoyed viewing the artifacts depicting the siege of Vicksburg at various museums.

**HOT AND TIRED** the Thrash family headed for home with a new addition to the family. Mac bought himself a baby alligator, named it "Fred," and after assuring and reassuring his mommie and aunt that it was "harmless," and stopping at practically every service station on the way to dampen Fred, finally got him home and ensconced in an Aquarium. Fred hasn't started eating yet, and Mrs. Thrash hopes his first meal in Texas won't be a finger.

**HAPPY BIRTHDAY TO** Dick Balke on the 27th.

**MR. AND MRS. Bill Edwards** have returned home from their vacation. They visited Mrs. Gerald Vierdige in Grand Prairie and treated Shannon and Jay to Six Flags over Texas. The family enjoyed several days in Bella Vista, Arkansas, where they swam and golfed and lazed around. Sarah said the scenery at this mountainside resort was breathtaking (no wind either). She sure was glad to get back on these nice Texas Highways, as those crooked Arkansas roads almost did her in, beautiful trees or no.

**LISA BASHAM, DAUGHTER** of Mr. and Mrs. Pete Baker, is sharing herself with her grandparents this summer in Lufkin.

Mr. and Mrs. C.E. Basham and Mr. and Mrs. T. C. Carroll are tickled to have her, and bought Lisa an orange ten-speed bike to speed her back and forth on her visits to their respective homes. Little Shannon Baker was riding her pony recently, and when the saddle slipped, she tumbled and broke an arm. Momma Marylon says the cast hasn't deterred Shannon's enthusiasm or mobility.

**SHERRIE CATES, WIFE OF** Roy, quietly observed her birthday on the 15th, resting. As busy as the Cates family is, she felt just being given the opportunity to rest is celebration enough. If any of Ronnie Cates' friends want to visit with him this summer, they will have to go some gas at the station at the Big Texan, where Ronnie, dressed in western attire, is working. Jeff Cates is selling firecrackers at a stand located at the end of Coulter Road and 34th Avenue. These boys are also playing baseball and participating in scout activities, and a jillion other things. Kenneth is playing ball for a major league team calling themselves the "Astros" out of Canyon. Noble Cates is enjoying some rest and recreation in Hawaii. He will also visit Japan before returning to duty for the Navy.

**SEVERAL SCOUTS FROM** Cub Pack 130 spent Saturday at Camp Don Harrington in "Cub Country". This was a day construed for a little boy's afternoon of pleasure, including practice at the target range, taking in a nature trail, and crafts connected with scout work. Adult supervision was provided by Roy and Sherrie Cates; Bill Seth, cub master; Pat Seth, den mother; Bill Edwards, advancement chairman; Sarah Edwards, den mother; Mrs. Alton (Betty) Stokes, assistant; Jackie Mayfield, den mother; Louise Bromley, assistant; and Barbara Dove.

**MANY NEW FAMILIES** are moving into the Gene Howe area, and those interested in cubbing, that is, either helping with the scouts or those having children interested in becoming scouts, should call Mr. or Mrs. Cates at 355-2080 for information.

**MR. AND MRS. James Nash** are delighted to have their son, Specialist 4 Randall Nash, visiting with them. Randy is on a thirty-day leave from the U.S. Army Mortuary stationed in Saigon. Nice to have you home for a while, Randy.

**HAPPY BIRTHDAY TO** Mrs. Ronnie (Tonya) Holt on the 27th.

**MR. AND MRS. Bill Hall** have recently returned from a Barnett Brothers Brokerage convention in Ruidoso, New Mexico, where they took in some horse races. Wilma wouldn't say if they won or lost or broke even, but did admit to having a lot of fun and enjoying the convention activities and banquets.

**LOIS AND JOE Nix** have returned from a Western National Life Convention in Juarez. They spent about a week there touring the city and participating in the convention sponsored activities. Saw a dog race, too. Lois and Joe are particularly proud of their daughter, Susan, who is in Colorado Springs in a summer ice skating school at the Broadmoor. Professional and championship caliber skaters have started with the same training that Susan is undertaking now. Progress of the skaters is determined on a testing basis, starting with a "pretest," which Susan passed last summer.

**THE COURSE OF training** includes figure tests numbered one through eight. This summer Susan is working on her first figure test, which she will take on Sunday, July 2. The seventh test is referred to as a "Silver Medal" test and the eighth test a "Gold Medal" test. These figure tests include figure eight's and all the school figures we armchair participants watch ice skaters perform on the telly.

**SUSAN'S DAY STARTS** with a lesson at 5:45 in the morning six days a week, so this is obviously an exacting and energy-consuming endeavor for a fourteen year old girl. Those of us in the Gene Howe area are extremely pleased that Susan is "one of us," and we applaud her drive and enthusiasm and wish her only "passing grades" on all those tests.

**THE THIRD AND fourth** grade baseball team coached by George Leonard and Kenneth Drost is really coming up in the world. These girls have won several games, and in their recent game with Highland Park Tammy Tucker hit two home runs (one a grand slam) and Carla Schmidt and Patty Team each hit homeruns.

**THE FIFTH GRADE girls'** team recently showed "who was boss" in a win over their mothers. The score was 11 to 10, so the girls can't strut too long. Cindy Todd and Janice Delaney hit homeruns for the girls, and Mrs. Olen (Pati) Ray played heroine for the mothers' team (being the only one to hit a homer). For shame, Mothers.

**DARLENE AND GEORGE** Bell have recently entertained house guests from

Louisiana, Allie and Louise Robbichaux. Darlene and George sent Allie and Louise home with their heads brimming over with knowledge of everything Amarillo has to offer, including a fun day of touring Palo Duro Canyon where Darlene conducted a "test-drive" of her new green and white Ford Galaxie. Me thinks she is going to get a lot of test driving in running Donnie, Mike and Monty around their various ball games. Darlene did manage to get some "mommie time" in on a weekend visit with her mother, Mrs. Esther Bombarger, in Clovis.

**"MOMMIE TIME"** is rather hard to come by sometimes, as Mrs. Harold (Billie) Erwin will attest. While she is cooking three big squares a day and performing all the other chores assigned to a farming wife, daughter Lisa visited in Clarendon with Laurie Carlisle of Canyon and her grandmama; and, Tracie flew to El Paso for a visit with Vickie Abbot, daughter of Mr. and Mrs. Joe Abbott. Vicki and Tracie visited Juarez, took in the dog races and did an awful lot of fun sightseeing.

**BOYS HITTING HOME-** runs for the Gene Howe first grade win over Coronado were Kevin Smith, Dwayne Hollis, Shane Sanders, Dusty Dove, Russell Schmidt and Jason Bass. That aluminum bat the coach got for Father's Day seems to be just the thing!

**CHERYL MCNABB RE-**CEIVES our best wishes for her birthday on the 27th. Mr. and Mrs. Eldon McNabb, and Lori, Roger and Cheryl have returned home from touring Disney World in Orlando, Florida.

**MR. AND MRS. H.W. Lichte** have been showing their houseguests, Mr. and Mrs. E. R. Wheaton from Gainesville, Florida, some points of interest here, such as Palo Duro Canyon, and Boys Ranch. The Lichte children, Pam and Leigh and Dusty, have managed to get in some good times, too, such as swimming and horseback riding.

**PAULINE AND C.W. Hefley** will celebrate their eighteenth wedding anniversary on the 3rd of July. Pauline says she has spent fifty per cent of her life in the married state and that the year 1972 is double her age. Or something. If anybody can figure this out, you will know how old she is. If you can't figure it out, call me with your news, and I will tell you. If she ever gets all that cream pie off her face, we could count her wrinkles. We'll not say who so decorated her, but

Pauline contends she's pleased that this secret desire has been fulfilled. Apparently, the temptation was too great for a mere mortal to overcome.

**BON VOYAGE TO Michael** Rinehart, son of Mr. and Mrs. Robert A. Rinehart. This ex Gene Howe youngster, who will be a senior next year at Canyon High, will leave for Europe this week with a group of area students. They are undertaking a course of study of comparative cultures; and, since these students will be living with various families in the countries they visit, they will obtain a real insight of family living. Michael and his co-students will fly from Houston to Madrid, from Madrid to Rome. From Rome they will take a train to Austria and then on to Paris. They will wind up their trip in London, and Mike is looking forward to attending several plays there. We wish Mike a fruitful trip and speedy return home in about seven weeks.

**MEMBERS OF THE Jim** Riley family went separate ways this past weekend. Randy, traveling with Robert Scott and the Scott family, is visiting San Antonio, Houston and Arkansas. Tanya enjoyed water skiing and swimming at Greenbelt Lake with the Ken Wallace family. Rusty Riles took his very first bus ride to Hereford to visit with his grandparents, Mr. and Mrs. V. W. Waters. Rusty is going to work with his grandfather, who is a cement contractor. Kay and Jim decided to take advantage of the Kiddo's absence, and spent a few days in Red River, New Mexico. They fished and hiked up to middle fork, which was quite a trek. Jim not only caught more fish, but his were bigger, too. Better luck next time, Kay. They fished at Camaron before returning home.

**HERB MCGREGOR IS** really bragging, with good cause, on his sixth grade baseball team. These girls have played seven games and won seven games. He says they intend to squeeze in four more wins and bring home championship rating. Kim Wallace has contributed some more home runs to this cause. Good luck, girls.

**THE BASEBALL SEASON** is growing to a close, and if you coaches will call in your standings, we will proudly relay same to the Gene Howe area.

**THANKS FOR THE use of** the hall.

CALL IN YOUR news. 352-6053

Barn Stompin' Caps  
Canyon Days Festivities

The old tradition of hayloft dances will be a highlight of the Canyon Days Celebration this year.

The big barn stompin' dance will cap off the annual celebration at 9 p.m. July 8 as guys and gals gather at the Junior Livestock Barn to dance to the music of Don Mansell and his Don Juans.

The dance will be western style, and Canyon Days officials are urging all dancers to wear western attire.

Congratulations  
on a fine season.

**BABE RUTH GIANTS:** From left, front row: Greg Pitt, Randy Langen, Richy Cooper, Ernie McClain, Dwight Lehman, Doug Palmer. Second row: Hoss Ratliff, Tom Dawdy, Lynn Wright, Ronnie Howell, Jim Ward, Steve Lehman, Coach Roy Wright. Coach Phil Langen absent.

## Happy News

## 4-H Wins Firsts — Rainbow Girls Tour Houston

By MARY NEAL HENRY

WHILE EVERYONE ELSE was having tomatoes and high winds and flooding Wednesday night, all we had was just a rain....and a house guest. Mrs. Jerry Ray of Vigo Park came to the house soaked. She'd had car trouble. Well, it was no night for car trouble.

THE TRI STATE High School Rodeo Association met Wednesday night of last week and sent entry blanks to all the Tri State Clubs to Happy's rodeo August 4th and 5th.

SEVENTEEN PINTS OF blood were given Wednesday for Mrs. L.W. Rhoads when the blood mobile came to Happy.

EDDIE AND JIM Cope and Joda and Jeffina are in Miami helping brand and move cattle on the Lips Ranch for Marshall Cator and visiting relatives.

NAOMI (LANCASTER) HAYHURST of Las Vegas, Nevada, has been in Amarillo visiting her mother, Velma Bowles. They were also visiting in Happy. Velma returned to Las Vegas with Naomi.

MANDI SHIPMAN TRAVELED TO McKinney with Belle Cabel on Friday to visit the Poe Cabels.

CONE AND SWEETIE Johnson treated all those who helped with their anniversary celebration at the County Barn on Thursday night.

4-H OF HAPPY won several firsts at the County Show. Hatters were given for first place.

Colette McCarley won Class 2: Registered mare under five years of age. Jay McCarley won Class 3: Registered mares over five years of age. Neal Odom won Class 4: Any breed mare under five years of age. Neal Odom also won Reserve Champion. Eddie Joe Pearson won the Showmanship, western pleasure and reining in Class 2. Eddie Joe Pearson won the Pole Bending and second in the Barrel Racing, and third in showmanship. Chris Pearson won third in western pleasure and third in barrel racing, and fifth in gelding in five years of age or over.

BILLIE AND WAYNE Pearson and Bill went to Ft. Worth to the horse sale. They stayed with Mildred and Don Carr. The Carr's son was in the catalogue riding a couple of the horses. Wayne and Billie came home with two.

HELEN BRYAN HAD surgery at Nebbett Hospital on Monday.

MRS. RALPH BRYAN is staying in their home to keep Rowdy Wuinn.

RUBY AND J. L. Oler, Donnie and Jay visited Thurman at Corpus Christi and Beeville and fished on Lake Corpus Christi. They dressed out thirty pounds of fish. Thurman is stationed at Beeville (Navy) and Ruby said they stayed in the nicest trailer house—all the modern conveniences—had a nice trip.

WILLA Jane Miller recently took her mother, Mrs. Smythe, to Corsicana to see her sisters.

A LARGE CROWD attended Vicki and Bill Whitlow's wedding Saturday night. I asked Darrell Wilson if he went home and came back or stayed the whole

week to get two nieces married off. Their little boy made a cute ring bearer. Vicki came down the church steps and threw her bouquet in the top of the tree. Aunt Livia Davis was at the wedding but she said she was going back to Ohio, Colorado, where it was cooler. I've spent many nights with Aunt Livia and if I ever get up that way, I'm going by to see her. I enjoyed seeing Dorothy Magness, too.

ANN AND WELDON Sims have moved to Rosebud, New Mexico. Weldon will farm and run cattle there.

JO (WALBERG) WAS at the wedding. She joins her husband in Norway August 1.

PECOS MCINTYRE WON the Steer Roping at Tucumcari Sunday. Shi Hurst won a go with 15.7. Sonny Davis tied the fastest steer of the day in 11.3 seconds. Walter Arnold tied one down in the same go in 12. Sounds as if it were a good roping.

AFTER RANDALL COUN- TY Home Demonstration Council Monday, I went by the hospital to see Helen Bryan. She looked wonderful. I told her that I hadn't really expected her to remember I'd ever been there.

E.W. Schaeffer was in the room across the hall and Evelyn Shipman was sitting with him. Mr. Schaeffer said he felt well. He was taking oxygen and lying there in that air-conditioned room and I told him that was good—that Evelyn must need the rest sitting there in that chair.

OLLIE NICHOLS WAS there, too....since about 1:30 a.m. She had food poisoning. Vicki and Bill Whitlow's wedding Saturday night. I asked Darrell Wilson if he went home and came back or stayed the whole

AL WALKER, CAMMA Lou's dad is still serious at High

Plains. His room is 436 at High Plains if you'd like to remember him.

LISSA FOSTER HAS a broken arm because of a wreck on the mini-bike. Kim was skinned up badly but not broken.

NANCY SMITH CALLED Lena early this week and she is better. They will soon take the pins out of her right leg and put another cast on it. She had been x-rayed from stem to stern and everything is working. She'll still be in room 6435 at Baylor Hospital in Dallas for a couple of months. Nancy has really enjoyed hearing from so many friends....some she hadn't heard from since graduation. That's been 19 years, Nancy.

NELL AND CARL Sims, Juanita and Lowell Johnston, Junita and Speck Benham, Sue and Meade Michael, and Marg Sharp attended a Beta Sigma Phi State Convention in Amarillo last week end.

JEFF AND JAY stayed with Granny Bell while their Mom and Dad were at the convention. NELL SIMS RECENTLY had a very light case of hepatitis. She is lucky to have caught it so soon.

VESPER SIMS IS under the doctors care. She goes for treatments and returns home.

EARL BELL COSBY called this morning. He has a cow and calf missing. The cow has a 11 on left hip and the bull calf has a split right ear. He thought Tom might have seen them because they are supposed to be East of us.

FRANCES AND MARVIN Flowers and Kathy and Byron spent last week-end in Ft. Smith, Arkansas, visiting Frances's parents.

BROTHER M.O. Evans, our interior pastor while we are without a pastor, preached last Sunday in Brother Paul Heil's absence. Brother Paul and Phoebe will return this week from touring the Holy Land.

NEXT SUNDAY IS promotion Day. Don't miss that! THE MUSTARD SEED is open from 2 to 5 p.m. every Tuesday, Wednesday and Thursday, and on Friday and Saturday night 8 p.m. to 12 p.m.

RUBE AND THELMA Wesley of Colorado Springs spent Sunday and Sunday night with Pauline and Woodrow Wesley.

DONNA ANN MAGNESS was pleasantly surprised with a birthday party on Tuesday, June 20. Home made ice cream cake and cokes were served to Tanya McCarley and Corey McCarley, Pat Williams, Kipa McFarland, Susan Rahlfs, Mary Lou Hancock, Debra Magness, Sandy, Thane and Wade Morgan, Irene Uselding, Margaret Murdock, Merle and Leona McFarland and Mary Ann and Don Magness. Donna also received gifts and cards from Bill and Louise Conway of Amarillo, Hank and Clara Magness, Mildred and Willard Middleton, Ava Nell, Gene and Randy Pope of Tulsa.

MRS. C.R. (Suzette) Sisk Wesley was honored with a bridal shower at the Methodist Church Fellowship in Adrian on Wednesday of last week.

Hostesses included Messrs. James Whaley, Jake Fortenberry, Earl Brown, Sam Hobbs, Leland Burns, Lorin Creitz, E.N. Jacobson, and Miss Linda Pridmore and Miss Angela Heiselman. Pauline Wesley attended the shower (mother of the groom, you know.) Suzette and C.R. received many lovely gifts.

THE RAINBOW GIRLS left Happy about five minutes until ten Saturday night. Lots of excitement. I am so used to going, it was surly hard on me to have to stay home. Seventeen girls and five adults went from Happy.

Oram Mary Sims, Ruth Mann, Faye Parker, Fern Spear and Evelyn Dowd sponsored the trip. Mary Ann Sims, Sheri Henry, Debra Jackson, Kay Spear, Sandy Railsback, Beverly and Barbara Dowd, Connie Hand, Jodi Foster, Brenda and Cathy Parker, Kim McCaslin, Nancy White, Becky Stubblefield, Karen Sims, Dianne Johnson, and Rhonda Fellers went. Snooks Robinson planned to join them on Wednesday and attend some of the sessions with them. He was due in Houston for a check up on Friday.

I LIKE TO see the younger girls get to go. They are so cute. The first time I'd ever been to Houston in my life was nine years ago when I was the Mother Advisor of Rainbow and I was more scared than I'd ever been. There I was in Houston, one of the largest cities of the United States, sponsoring a group of Rainbow Girls and I didn't know East from West. I had good help though. Irene Hardaway, Gerry Holland, and Ruth Mann went that year. I don't remember who else. We stayed at the Sheraton-Lincoln. Would you believe for \$7.50 a night?

TULIA RAINBOW ASSEMBLY went with Happy this year. (That helps on the bus fare. The cost of chartering a bus is out of this world.) Before they return home, besides attending the sessions, they will have toured Nassau, the Astro dome and visited Astro-World.

RHONDA FELLERS AND Kay Spear served as Grand Guards and Karen Sims sang in the Grand Choir.

JUST MAYBE THEY got to visit Galveston or the Battle Ship Texas. None of this group had ever been to Houston before. Seems as if they should have stayed an extra day to sight-see.

THE HAPPY ARTIST Studio participated in an Art Show sponsored by the Memphis Art Studio in Memphis, Texas last Saturday. Happy sent twenty-one paintings and won seven ribbons! Kathy Moudy won a third on an acrylic, "Spring Bouquet"; Irene Hardaway won first with an oil, "Sunflowers"; Mary Womack won a first and a second with two water colors, "Loose Ends" and "Storm Over." Emsetine Danner entered three oil paintings and won first on "Return at Sunset", and Joy Cox won the door prize. Jan Bell, an artist from Post painted Joy's portrait in pastels. All these paintings and Joy's portrait are on exhibit at Zelma's Art Shop.

KATHY, ALVIN AND Carolyn Moudy, Tom and Joy Cox, Ernestine Danner and Irene Hardaway attended a tea in Memphis on Sunday before bringing the paintings home. Be sure and see these.

THE EDMONDS FAMILY had a family reunion on Monday night at the Jaycee Hall in Happy. Mom grew up with this family and was invited to attend. One of the Edmonds grandchildren ask if they were kin to Oma. We went by to get all the names and Harry insisted that we have some supper. It was delicious. I happened to remember as I ate, that I hadn't had any lunch that day. George and Doll Edmonds and Molly Sue and Dee Cawthon of Canyon and their children, Jackie Edwards, Bobby Edwards, Cindy Cawthon; Harry and Otis Edmonds and Travis and Ruth McGaughey and son; Steve and Darlene Cole and Junior and Bob; Velma Greenfield, Wilma Hold, of Amarillo; Ruby Morris and Roger Morris; of Happy; Pam Edmonds; Roy Edmonds of San Antonio; Kenneth Edmonds of Kerrville; Mrs. Agnes E. Rohlena

and Robert and Betty Edmonds of Cedar Rapids, Iowa; Milton and Elma Edmonds and Hazel Edmonds, and Pearl Oswald, of North Liberty, Iowa; Neil and Karen Rohlena and family and Randy Rohlena and Renee Rohlena of Fairfax, Iowa; Joe and Alyce Rohlena of Swisher, Iowa; Mother, Angelique and I.

THOSE HAPPY CHARMS coached by Sharon McCarley and Kay Venhaus are Shann McCarley, Kathy Flowers, Kelly Weavers, Vicky Venhaus, Carry Venhaus, Kim Price, Vicky Jones, Teri Patching, Genie Jackson, Kelly Malone, Ann Smith, Vanessa and Evelyn Malone. They played both Wednesday night and Sunday evening and lost both games to Nazareth Red Hots. This little group has really improved since they began. Some had never played softball before.

HAPPY JAYCEE-ETTES served homemade ice cream and brownies at the soft ball game Sunday evening. There was supposed to have been a double header but one game was not played because so many girls were out of town.

HAPPY CHIEFS LOST their game last Friday night, but Vance Morrison and Doug Sims and Tim Moudy all hit home runs.

THE HAPPY LITTLE League Braves lost on Tuesday of last week to the Yanks by three runs. On Friday night they beat the Dodgers at Nazareth 9 to 6. Danny Wrenn hit two home runs and one of them was a grand Slam home Run. The Braves are currently tied for second place in the league.

DONNA MCDONALD (REED and Joan's) and Barbara Dowd recently returned from Girls' State. Donna was elected Police Chief. Must run in the family. Donna said that she had three deputies and a jail. They arrested one girl. She assaulted an officer, resisted arrest, disturbed the peace and then she escaped. After she was taken into custody the second time, she got a fifteen minute sentence and was fined fifty cents. Donna said they had a great time and that Girls State is very educational.

HAPPY 4-H HAD a trail ride in the canyons on Friday afternoon. At the end of the trail ride, they roasted weiners and had homemade ice cream (by Billie Pearson). They had fun! Angelique told Kevin and Kyle Odom when they drove up, "Ha! Ha! J.T. and I were the first ones here." Kevin, Kyle and Neal Odom were the second and Pete, too. Becky and Gui Walt Via, Ronnie and David McDonald, Debbie Magness, Eddie Joe Pearson, Chris and Bill Pearson, went too. Billie and Wayne Pearson rode and Betty and Floyd Tipps and Nancy Woods and their parents, George and Vivian. Betty Tipps and Vivian Woods rode. Sheri finally decided she'd go and I went back to textoning. I intended to get down there for a hot dog, but I didn't even make that. The children really enjoyed it.

MR. AND MRS. George Hancock of Pampa have been visiting Joyce Lane in Wayside. That is Joyce's sister, you know. PHYLLIS BRADLEY SPENT part of the week-end with me. She says that Chris is fine. He is planning to attend college at Clarendon this fall.

CARL AND HELEN Bryan, Della and Bob Henry, and Alfred and Bonnie Beucker celebrated Carl's birthday by having steaks at Ruth's and then going to the Villa. They had a nice time. Helen had planned Carl a surprise party but was unable to go through with it after her surgery was scheduled.

LAMOINE SCHRIER HAD a tupperware party on Tuesday afternoon in her home. Patsy Schriber is a dealer now. She held the Party. That is Patsy Christensen.

THIS YEAR'S HOME-COMING will honor the

Football Team of 1922, Happy's first I understand. It was O.R. Bridges (coach) now deceased; M.B. "Whitey" Walberg; of Portales; Johnny Mann, FB, of Pampa; Winfield "Wendy" Miller, G, of Canyon; Ernest Goettsch, T, of Hereford; Warren "Babe" Walberg, QB, of Happy (Babe, I didn't know you were a quarterback.) Oscar Fonken, B, of Beatrice, Nebraska; George Uselding of Happy, Sanford "Sandy" Arnold of Santa Fe, New Mexico; Vincent Schuman of Hobart, Oklahoma; Terry Maybean, deceased; Willard Miller of Perryton; Herman Miller of Reno, Nevada; C.O. "Jeff" Whitman of Happy;

Edmond Harrison, deceased, Ed Money, Lester Knox and "Arky" Dalton. Maurine Allison, Ex-student secretary, has heard from some of these and we want to share their letters with you. Ernie G. Miller tells about 1922. One day back in 1922, Mr. O.R. Bridges, the superintendent of Happy Schools asked all the boys that were interested in playing football to meet him at noon and he would explain the game to us. At that time, not one of us had ever seen a game of football played. Mr. Bridges lined us up and explained the different positions and their duties. Looking back I can see why we developed into a good team in a short time. Having boys like Whitey Walberg and Speck Aikman for ends and both are tall and fairly fast. Then also we had good material for tackle and guards. We had Babe Walberg, Oscar Fonken, Jeff Whitman, Ernie Miller, and Johnnie Man for back field men. We also had some light weight boys for substitutes. Our little subs were not to be ignored because of their size. All these boys that came out for practice were naturals. Our first year was a little disheartening because nearly all the teams we played had a few years experience over us. Under Mr. Bridges guidance we developed into a good team and began to win some games which raised our morale. (Ernie also sent a picture of the team which will be there for Homecoming.) If any of the team have been left out we are sorry as you know 1922 is a long time back. I recall one game we played that was well worth all the hard practice, bruises and bumps.

MR. BRIDGES MATCHED a game with Amarillo Jr. High. We were underdogs and knew it but after a good pep talk from Mr. Bridges we went in that game and won it. I can't recall the final score but anyway we were top dogs when the final whistle blew. All our games were won on Team Effort. We had our star players but the team effort always paid off.

MR. BRIDGES OWNED a 1929 model-A Ford. He would stack us in it and some local fan would take the rest of the team and away we would go. I can't say enough for Mr. Bridges. He certainly could get along with the boys on any occasion. The yearly reunion is a fine thing. It brings back lots of fond memories and a few sad ones. But we will all have to go to the last big game up there. May we all meet there.

ERNE G. MILLER says that his leg is better and that he hopes to get to make the reunion. I DOUBT THAT Mr. Bridges had a 1929 Model A in 1922, but I don't know enough about cars then to guess what Mr. Miller had in mind. These letters are really good. Thank you, Maurine, for sharing them with me.

PLEASE KEEP CALLING me. I am at 764-2158 in the day time and 764-2865 in the night time. But it really doesn't take long to spend the night at our house.

SEE YA, MARY NEAL

## Beta Sigma Phi's Confer Ritual, Go To Convention

Beta Sigma Phi members, after participating in weekend activities of the state convention, conferred exemplar rituals on Mrs. Frank Adams on Monday of this week.

The Exemplar Ritual took place in the home of Mrs. Lewis Wygant in Amarillo, with Mrs. Robert Brotherton officiating. Others present for the ceremony were Mmes. Herbert Kuhlman, James Irwin, Johnny Robinson, Jack Godfrey, and the hostess.

Following the ritual, Mrs. Adams was presented a Beta Sigma Phi tray as a "going away" gift from the Xi Kappa Zeta chapter. The group, joined by Miss Betty Sue Patterson, had dinner at Meehan's Personality House with Mrs. Adams as their guest. The Adams are moving to Ft. Worth.

Events of the state convention began Friday with registration and business and ended with a barbecue dinner in Palo Duro Canyon where delegates saw a performance of "Texas." Saturday's highlights included forums at the civic center auditorium, a luncheon and style show at the civic center and a business session of the general assembly during the afternoon.

Activities concluded Sunday morning with a brunch and closing ritual.

Attending from Canyon's Xi Kappa Zeta Exemplar Chapter were Mrs. James Irwin, Mrs. Herbert Kuhlman, Mrs. Robert B. Brotherton, and also member-at-large Mrs. Elmer Clement.

Chi Upsilon Chapter was represented by Canyon members Mrs. Speck Benham, Mrs. Lewel Johnston, Mrs. Meade Michael, Mrs. Jack Sharp, and Mrs. Carl Sims.

Special events for husbands of Beta Sigma Phis were also scheduled, and attending those were Speck Benham, Lewel Johnston, Meade Michael and Carl Sims.

In the closing ritual, Miss Estelle Smith, a Houston attorney, became the first Texas member to receive Beta Sigma Phi's International Award of Distinction.

At the convention it was announced that Beta Sigma Phi chapters from Texas had given a total of \$9,651.67 to the Department of Pediatrics at the University of Texas Medical School at San Antonio for their work to combat the diseases of leukemia, cancer, liver damage and other children's diseases.

Mrs. Wanda Giangregorio, left, mother of Mrs. Kelli McBride, from Leghorn, Italy, is visiting her children and grandchildren here in Canyon. There is much news to exchange as it has been five years since her last visit with them.

## Visitor From Italy Will Summer Here

Mrs. Wanda Giangregorio has traveled thousands of miles from Italy to visit her children and grandchildren in Georgia and Texas this summer.

But although she finds life easygoing and Americans sincere and even-tempered, she would miss old friends and the varied pace of life in her homeland too much to remain permanently in this country.

On her third trip to this country, Mrs. Giangregorio arrived in Canyon on June 11 and plans to stay about three months in the home of her daughter, Mrs. Kelli McBride, and grandchildren, Gary 17, and Mary Lisa, 15, of 2416 10th Ave. She will also be visiting frequently with another grandson and his wife, Mr. and Mrs. George McBride, 2710 6th Ave., and another daughter, Mrs. Ines Cataldi, and grandson Steve, 19, of 609 16th St.

"Everyone was so helpful-so kind," she said, explaining how she managed to travel without mishap from Leghorn to Amarillo despite the fact she speaks very little English. Her daughter was acting as interpreter.

The blue-eyed, fair-haired visitor makes her home in a seaport city of half a million inhabitants located on the Italian Riviera. "Most tourists don't know much about it," she said, "because they usually speed through it on the way to Florence or Pisa."

Mrs. Giangregorio's husband, now deceased, was an army officer and they also had a real estate business. He was

sometimes assigned to temporary posts away from home even in a foreign land, but the family remained settled in Leghorn.

Her picture of the typical life of an Italian woman was a much more modern and liberated one than the dust-worn image some of us may have of peasant women picking grapes from the pages of old geography books.

Speaking with the vitality that Italians exude in their native tongue amplified with gestures, Mrs. McBride's mother made it clear that women in her country expect education, career opportunities, and salaries equal to those of men. "They have their own apartments, and drive their own cars just like American women," she said.

Unfortunately, with all the benefits of modernization come some of the problems, such as the generation gap, far-out fads, and the population explosion.

One of the serious concerns of Italian women is family planning by means of birth control. "Because women want good home environment, good education, and social standing for their children," she said, "they endorse birth control in preference to abortion." Child care centers for working mothers are common, but are usually under the parochial supervision of nuns.

According to Mrs. Giangregorio, Italian children are put through a strict educational system of 12 years that emphasizes the three R's in lower grades, academic subjects

in the upper grades, and languages throughout. In addition to his own language, a student usually has 8 years of Latin, several years of English, and perhaps one or two years of French and German as well.

"The schools are very strict, whether public or private, in Italy," she emphasized. "There are no extra-curricular activities in the schools. Instead, athletics, music, and other such activities are sponsored by civic associations."

Many people send their children to private schools run by Catholic orders. She herself was educated at such a private girl's school, as were her daughters.

Italians are fashion conscious, and items from Ferraris to Capparicio Shoes are well-known in this country. "Many fashion trends begin in Italy," Mrs. Giangregorio rather proudly pointed out. Her daughter confirmed that when her mother was here on a prior visit, she wore the square-toed shoes that only became popular in this country two years later. Mid-skirts, hot pants, wigs are some of the fads adopted, she said. One of her final statements was that large-brimmed hats are now widely worn in Italy and may be expected to be seen frequently in the United States in the near future.

## Former Canyon Man Is Official

Lubbock elementary school principal Frank Mullican, a graduate of West Texas State University, has been named secretary of the Texas Elementary Principals and Supervisors Association, according to Mrs. Shirley Hale of the organization.

Mullican is married to the former Doris Bourn, a graduate

of Canyon High School. He is the son-in-law of Mr. and Mrs. Ed Bourn of 2400 10th Ave.

The Lubbock principal has long been active in professional organizations. He is a former president of the Lubbock Classroom Teachers Association and is the new area membership chairman for the National Education Association. He took the Maedgen principal's post in 1962 after serving teaching and administrative assignments in Lubbock schools since 1956.

FRANK MULLICAN

## Lions Club Sells Fireworks

The Canyon Evening Lions Club has a fireworks stand south of Canyon city limits on Highway 87, according to George Stevens, Lions past president who is in charge. It will be open Thursday and Friday beginning

at 5:30 p.m., Saturday and Sunday at 2:00 p.m., and all day on Monday, July 3 and 4.

Proceeds from the fireworks stand will be used to further assistance to Girl's Town, glasses for the needy, and help in a donation to fireworks for the city park display.

### Angels Lead Pee Wees

Little League Pee Wee players have shown much improvement in the baseball game this year, according to league officials.

The Angels, a team which has consistently remained in first place, is still way ahead of other teams, but officials say there is much improvement in the way the eight and nine year olds play.

In game action, the Senators take on the Cardinals at 5 p.m. Friday at Little League Park, and the Red Sox play the Angels at 6:30.

Saturday will see the Orioles going against the Red Sox at 5 p.m. and the Angels playing the Senators at 6:30.

### Art Therapy Program To Begin

First steps in creating a regular art therapy program at West Texas State University were taken this summer with the introduction of an individual problems course in the subject.

Art 441 was designed to bring into the curriculum of the art department the experience gained from its pioneering efforts in providing an art therapy program for the Northwest Texas Hospital Psychiatric Pavilion in Amarillo, says Dr. Emilio Caballero.

The course, which offers three semester hours of credit, involves active participation in the program at the pavilion. It also calls for the compilation of a research paper exploring individual problems in therapeutics as well as regular meetings with the pavilion staff.

Students are also required to keep a "journal" of their experiences and personal reflections during their therapy work, says Caballero, head of the art department.

The program was initiated last fall at the request of Dr. Temple Elliott of the pavilion staff. WTSU students conducted once-a-week therapy sessions involving a pilot group of adolescent and young adult patients.

Caballero says that since its beginning the program has flourished. The number of therapy sessions has gone to two a week and the number of students has increased from eight to 15, he adds.

"Art used in this way transcends the usual bonds of academic psychology and becomes involved in the whole field of education, which is seen as a process of helping the person to develop and not just the transmission of mechanical skills and information," he says.

Partly as a result of his pioneering work in art therapy at the pavilion, Caballero was recently elected to the American Psychological Association.

He is scheduled to speak on the value of art psychotherapy at the Texas Personnel and Guidance Association convention in Amarillo Oct. 12-14. The meeting is expected to draw approximately 1,200 public school and college counselors from across the state.

### Rickey Smiths Have Daughter

Mr. and Mrs. Rickey Smith, 1931 10th Ave., are the parents of a new daughter, Daena Dannise, born June 12 at Neblett Hospital. The infant weighed 6 lbs. at birth.

Maternal grandparents are Mr. and Mrs. Dan Gregory of Olton. Mr. and Mrs. Ed Smith of Olton are the paternal grandparents.

The Rickey Smiths are both senior students at West Texas State University.

## Appropriation Increased

The House Appropriations Committee approved Wednesday a budget of almost seven and a quarter million dollars for West Texas State University for the fiscal year beginning Sept. 1.

The proposed budget, which includes four amendments by State Rep. Bryan Poff of Amarillo, is \$50,500 more than requested by the university.

Poff said the total proposed budget, which will go before the full house Saturday, is \$7,242,956.

Poff's amendments included \$15,000 for the development of the Nance Ranch, and \$17,500 for development of the WTSU Nursing Program.

Also included is \$6,000 to the general administration fund and \$12,000 to the general institutional fund.

"We appreciate Mr. Poff's efforts in getting the extra money," said Virgil Henson, vice president for financial affairs. "I think we can exist on this if it is approved by the full House."

Henson said he is optimistic.

"I felt the money for the nursing program was necessary to facilitate its conjunction with Northwest Texas Hospital," Poff said. "The Nance Ranch project can be extremely beneficial to the WT School of Agriculture. A ranch of this nature can be developed into the best type of classroom possible."

The committee also increased by \$12,000 the proposed budget for the Panhandle-Plains Historical Museum on the WTSU campus.

The amount for the museum which will be presented to the full House is \$146,400. Poff said the additional \$12,000 will be used for security purposes at the museum.

C. Boone McClure, museum director, said he was "very pleased" with the proposed budget.

"I talked to them last week at the budget hearing," McClure said. "They agreed we needed security, but I wasn't sure they would go this far."

McClure said the money would be used to install burglar alarms and to hire guards to work during the day.

"We've needed this for a long time," he said. "In fact, the committee was surprised that we haven't had real guards here for

20 years. We just didn't have the money."

"Right now we are using two of Gene Mayfield's big football players as security men. We haven't had much vandalism here, but it is something to be concerned about," he said.

"In fact," he added, "these six Japanese screens that came in here last week went through Customs appraised at \$2 million."

And when you hang \$2 million on your walls and have no way to protect it, you get ulcers fast."

### Architect Here

## Hospital Plans Studied

The first stage planning concerns a single-eye drawing of the various areas of the hospital and where they are to be located, O'Connell said.

O'Connell said he expected the

first stage planning to be completed in the next two weeks. He will then meet with the hospital board for their approval of the plans.

The architect will then meet again with the same group of hospital personnel to discuss the plans in detail which is called the design development stage.

The final working drawings for the new hospital are estimated to be ready by March 15, O'Connell stated.

O'Connell was given the go-ahead to begin stage one of the planning for the \$1.5 million, 50-bed hospital at a May 2 board meeting.

The board also revealed plans at the May 2 meeting to issue \$800,000 in revenue bonds to complete financing for the new facility. The revenue bonds will combine with \$800,000 in tax bonds voted last summer.

Plans are to build the new hospital on 10 acres of land between the property of West Texas State University and the National Guard Armory.

Inside today's Canyon News, there are pictures of various youth league baseball teams. Three teams, the Giants of the Little League Minor Division, the Braves of the Little League Major Division, and the American Legion team are missing from today's edition.

These three teams will be featured in the Sunday Canyon News.

In today's edition there are 21 teams from three divisions of the Little League and the Babe Ruth League, as well as girls softball teams.

## Interviews Conducted For WT Security Chief

A decision may be forth coming in the next few days from the committee chosen to select a new security chief at West Texas State University, says Dr. T. Paige Carruth.

The initial round of interviews began at 1 p.m. Tuesday afternoon. Dr. Carruth, vice president for Student Affairs, said five men were scheduled for interviews Tuesday.

Dr. Carruth said the seven member committee is now in the initial stage of doing some serious consideration of the applicants.

"In our opinion, we are going to talk to some good men," Dr. Carruth stated.

Members of the committee to choose the new security chief are Al Stewart, Canyon Chief of Police; Judge Woody Pond, Randall County Judge; Dr. Carruth; Weldon Trice, assistant dean of Student Life For Men; Mrs. Jean Roberts, associate dean of Student Life For Women; Robert E. Lee, president of the WTSU Student Senate; and Dr. Ron Huffstutler, associate professor of mathematics.

## Local Parade Entries Grow

Forty-six entries have been registered for the Canyon Days Parade, to be held July 8.

Ken Thompson, parade chairman, said he expects at least 50 entries before the big parade.

Floors, bicycles and all the makings of a lively parade will compete in their own categories for prizes. There will be a trophy for the float which best depicts the parade theme of Patriotism, and ribbons will be awarded to the first, second and third place winners in the best decorated bicycle division.

George Ritter, parade marshal, will lead the parade, followed by a color guard and the Air Force band from Sheppard Air Force Base at Wichita Falls.

Local city and county dignitaries, as well as a small host of politicians, will ride in the parade.

In addition to a wide assortment of floats, Boy and Girl Scouts will be on hand, along with the Kiva Drum and Bugle Corps, the Kiva Shriner Band.

There also will be old cars and lots of horses.

Workmen were in the process this week of cleaning up the debris from the burned out Lexington Motor Inn after the City of Canyon wrote a letter dated June 14 giving Zolon Wilkins, Sr. 10 days to begin the clean-up operation. The Lexington burned March 14 in a \$350,000 blaze. Wilkins Jr. said at the time the letter was written every possible effort would be made to remove the debris.

## Commissioners Recommend Changes In Three Laws

Randall County Commissioners signed three resolutions Monday presented by the Texas Association of Counties recommending amendments to three state laws.

The resolutions concern the

Trailer Brake Law, the New Jury Law, and the Legislative Property Tax Study Committee.

The Legislative Property Tax Study Committee was appointed to study the ad valorem tax in Texas and is financed by adding \$1 on each delinquent tax receipt.

The bill also changed the date for taxes becoming delinquent from July 1 to Feb. 1. The Association of Counties recommends the date be changed back to July 1.

The study committee is scheduled to meet in Amarillo in July or August.

The resolution concerning the trailer brake law recommends in the bill as they apply to farm trailers and other small trailers.

The new Jury Law requires once a person is challenged or struck off a panel by either side to a law suit, he is excused from further jury duty. The County Association feels this is an unnecessary expense to the taxpayers.

All three resolutions ask Gov. Preston Smith to open the special session to consider amendments to these laws.

Joe West, county road superintendent, reported to the court, seal coating on county roads should begin next week.

West said the road crew would

begin on Arden Road, between Bell Ave. and Coulter Road. One half of the road is in the city limits of Amarillo and West said he would ask the city of Amarillo to share expenses on seal-coating the entire road.

Commissioners postponed a decision on cancer insurance until the next meeting due to the absence of Commissioner Glen Dowlen.

West was also asked to make a survey of the condition of automobiles in the sheriff's department and report to the commission Monday.

## Sheriff's Posse Raises Pony Express Purse

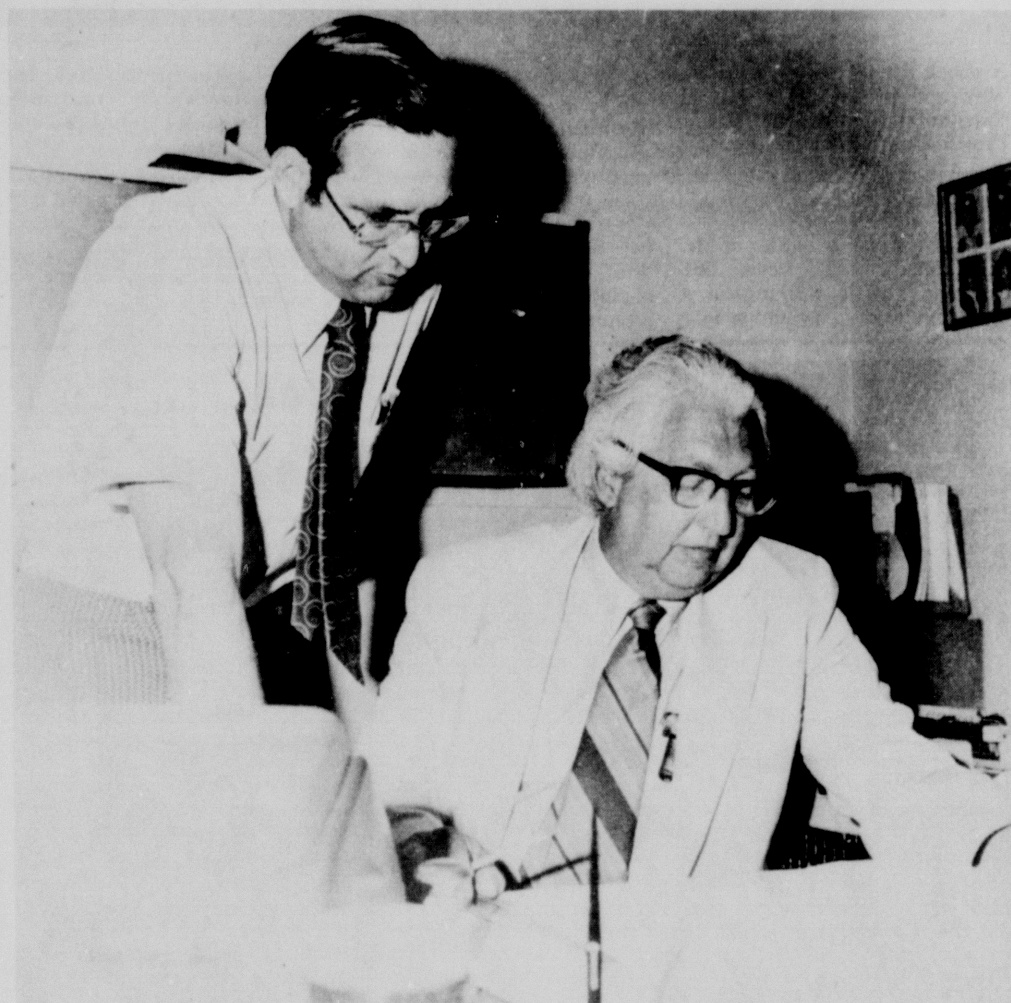

The Randall County Sheriff's Posse is raising the entry fee for the July 7 World Championship Pony Express contest from \$10 to \$100 per team, and an additional \$600 is being added to the purse.

If present interest holds, there should be \$2,000 in the purse, which will be divided among the first, second and third place teams.

The first place team will receive a hand-tooled traveling saddle bag trophy. The trophy may become permanent possession of a team if that team wins it three consecutive years.

Entries in the race thus far include Swisher County Sheriff's Posse, Plainview Red, Plainview Blue, Floydada Sandhills, Lubbock, and others.

(See SHERIFF'S Page 2)

Hospital Administrator Ray Grimes and hospital personnel Tuesday and Wednesday, architect Bill O'Connell of Austin discussed O'Connell estimated the first stage planning for the \$1.5 million, 50-bed hospital with to be complete in about two weeks.

## Investigation Continues

A state intelligence agent is continuing his investigation into matters concerning West Texas State University even though the grand jury made no report Monday on Bobby Hudson's testimony.

George Dowlen had no comment on the actions of the grand jury but he said Dan Self, a state intelligence agent with the Department of Public Safety, is continuing his investigation.

Dowlen said last week, he was sure since this was the last meeting of the current grand jury, they would make a report to the next grand jury concerning their findings which need further investigation.

The next grand jury is scheduled to convene July 17.

Hudson, WTSU security chief, appeared before the grand jury about two and one half hours Monday.

After leaving the grand jury room Monday, Hudson said, "It makes for long days and short nights."

Self was scheduled to appear before the grand jury Monday but Dowlen said he was unable to appear.

Hudson was served with a subpoena to appear before the grand jury Dowlen said because of various statements Hudson made publicly, stating he has been trying to appear before the

grand jury for the past three years and has been blocked from doing so.

Hudson has been asked by Dr. T. Paige Carruth, vice president for student affairs, to resign his position at WT effective Friday and is scheduled to be dropped from the university payroll at that time.

Hudson appeared before the WTSU board of regents June 7 in executive session.

Hudson said at that time he told the regents of his efforts to gain a grand jury investigation of certain discrepancies at the university had been repeatedly (See INVESTIGATION Page 2)

## Canyon Summer Baseball Program Involves Hundreds

More than 330 young people—65 of them girls—have spent most of the summer playing on one of Canyon's 23 baseball or softball teams.

The biggest league is the Canyon Little League, which is composed of 13 teams in three divisions. The Pee Wee Division has 90 players on six teams; the Minor division has 45 players on three teams, and the Major division has 60 players on four

teams. Total league membership is 195.

Richard Pruett is Little League president, and as such oversees the operation of the league.

There are four teams and a total of about 60 players in the Babe Ruth League. League President is Bill Cooper.

Older youths play on the 15 member American Legion team, of which Tom Lair is chairman. Girls take to the softball fields

in five teams, four of which are sponsored by the Kiwanis Club. Chairman George Blackwell said there are 50 girls playing for the Kiwanis League.

Another girls' team, the CanyonKKs, is sponsored by a chain of hamburger stands, and play teams from around the Panhandle area.

For the most part, officials of the various leagues have reported much improvement in teams this year.

In the case of the Pee Wee division of the Little League, rules were changed somewhat to allow for more hits and better fielding by the eight and nine-year-old players.

Play tonight at Little League Park will end the season for the Little League Majors, and the Babe Ruth League will complete its season Saturday.

Other leagues will end play in mid-July.

Team photos appear throughout this edition of the Canyon News.

**COVERING FUMBLES**  
By Dean Mitch Jones

The three most frequently used excuses given by boys and girls for questionable behavior were:

Others are doing it—  
Everybody is doing it—  
It is unrealistic to expect people to be strictly honest—  
And they were often supported in both word and example by their elders in our society.

## Page One Musts. . .

### Sales Tax

The City of Canyon received a sales tax check for the first quarter Wednesday in the amount of \$18,558.78, according to City Manager George Louder.

The check for the preceding quarter was for \$16,669.60 and the check for the first quarter last year was \$14,156.25, Louder said.

The current check is a 31 per cent increase over the check last year, Louder said.

A check for \$2,820 from the Noon Lions Club was presented Tuesday to members of the Canyon Division of the Opportunity Plan, Inc. Frank Castleberry, member of Lions Club, Milton Morris of the Opportunity Plan, Inc., Mrs. Lila Vars and Judge Woody Pond, members of the Canyon Division Committee were present for the presentation.

## Fourth Of July Seen As 'A Holiday Of Mourning'

### Canyon Division Of OPI Receives Funds From Lions

The Texas Department of Public Safety says the extended Fourth of July holiday weekend is very likely to turn into a "holiday of mourning," despite increased patrols along the state's highways.

There will be an estimated 58 persons killed in the state because of traffic accidents between 6 p.m. Friday and midnight Tuesday, according to DPS predictions.

"Plus all that," said Major C. W. Bell, commander of the DPS Lubbock region, "there will be violent deaths attributed to things other than traffic accidents."

It is predicted that the second highest number of deaths will result in swimming and boating accidents, followed by shootings and stabbings, improper operation of fireworks and housefires.

Major Bell said all available Highway patrolmen will be pressed into service for "Operation Motorcade," a program that is designed to keep the public constantly aware of traffic deaths and situations that might result in extra hazardous driving conditions.

Bell said patrolmen will watch particularly for speeders and drunk drivers. He said speed and alcohol are the chief causes of highway fatalities.

Another cause, he said, is public apathy.

"The public has the attitude that fatalities happen everyday," Bell said. So they accept this simply as a fact of life. But, to the average motorist, fatalities can happen only to the other driver." The pitiful thing about it is that we all could drive twice as safely as we do. But, most motorists don't and I can't categorize them as anything except people with a flagrant disregard for the lives of others."

**BABE RUTH CARDINALS.** From left, front row: James Walling, Stephen Childs, Mark Cooper, David Coronado, Steve King, Kevin Nelson, Steve Powers, Tracy Martin, Allen Shankles. Second row: Mike Flynn, Ken Raef, Ronnie Whitney.

### News Brief

D'Aun Revel, daughter of Mr. and Mrs. W.D. Revel, 501 Holman Ln., is working on a volunteer basis this summer with two Southern Baptist missionaries in the checkerboard region of New Mexico. She gives piano lessons to students from Canoncito and Tinian, and assists in literacy training of adults.

### WTSU Gets \$18,360 Work-Study Grant

The Department of Health, Education and Welfare's Office of Education announced Wednesday that it has awarded a grant in the amount of \$18,360 to West Texas State University for the school's work-study program for next year.

The grant will enable awards to be made to 41 students under the program.

The HEW said the grants were approved for the period July 1, 1972 through June 30, 1973. The funds will pay 80 per cent of the student payroll, and university or off-campus agency funds will make up the remainder 20 per cent.

### Sheriff's . . .

(Continued from Page 1)

back Pony Express, Amarillo Blue Boys, Floydada Whirlwinds, and teams from Petersburg, Brownfield, Childress, Dalhart and Durant, Okla.

Jimmy Plain, race chairman, said a total of 15 teams is needed for the race.

The races, which will begin 8 p.m. July 7 and end with the World Finals at 8 p.m. July 8, were originated and developed by the Randall County Sheriff's Posse.

Admission to the races will be \$2 for adults and 75 cents for children.

### Investigation. . .

(Continued from Page 1)

blocked over the past three years.

Chairman of the Board Cloyce Box said he would not comment on Hudson's appearance.

The appearance of Hudson before the grand jury was listed as "Bobby Hudson Investigation" with Hudson as the only witness Monday.

Six persons were indicted by the grand jury Monday. They are:

Karon Patterson, 19 of 2509 Vernon in Amarillo, forgery and attempting to pass a forged instrument.

Benjamin John Pikulski, 24, who is now in jail in Linden, New Jersey, theft.

Paul Dean Mitchell, 23, of 1004 N. Hayden in Amarillo, theft by bailer.

Leo Bert Mullin, 52, of Turkey, Texas, DWI, II.

Jimmy Gonzales, 19, of Box 654, Ft. Sumner, N.M., forcible rape.

Robert Sena, 17, of 1104 N. Harrison, Amarillo, forcible rape.

### WT Professor Presents Paper

Dr. Gene O. Carlisle, assistant professor of chemistry at West Texas State University, will present a research paper at the Rocky Mountain Regional Meeting of the American Chemical Society.

The meeting will be in Fort Collins, Colo., Friday and Saturday.

The paper, entitled "Polymetallic Oxovanadium (IV) Complexes of N-(2-Hydroxyphenyl)-2-Hydroxynaphthaleneimines with Anomalous Magnetic Properties," was written by Carlisle and Donald Crutchfield, a graduate student of Amarillo.

Crutchfield produced some new compounds and investigated the magnetic properties of these, Carlisle said.

The research was supported by a grant from the Robert A. Welch Foundation of Houston and funds from the WTSU Chemistry Department.

The paper will be published in the Inorganic and Nuclear Chemistry Letters, a chemistry journal, Carlisle said.

Since its acceptance for publication, three other WTSU students have become involved in the research. They are Dale McKnight, Kress sophomore, Oscar McNabb, Dalhart senior, and Gregory D. Simpson, Amarillo senior.

### Wesleys Have Twin Daughters

Twin girls, Christy Gale and Misty Dawn, were born to Mr. and Mrs. Harley Wesley, Rt. 3, at Neblett Hospital on May 24. Christy weighed 5 lbs. 13 oz. and Misty weighed 7 lbs. 6 oz. at birth.

The Wesleys have two other children, Margie, 4, and Barbara, 3.

Maternal grandparents of the twins are Mr. and Mrs. R. B. Turner, Rt. 2.

The paternal grandparents are Mr. and Mrs. Luther Wesley, residing west of Canyon.

Had a party? Or giving one? Tell The Canyon News about it. Telephone 655-7121, or stop by the News office on the south side of the square.

## Seitz Recovers - Keystone Cops Drill

By VICKI HOOKER

A GREAT BIG hearty "Welcome Home" to Kenny Seitz, 14 year old son of Gerald and Nadine Seitz. Kenny came home from the hospital last Monday after having a collision on his motorcycle last week. As I understand it, he was chasing rabbits on top of the canyon with three other boys. Mike Hooker, Bill Dustman and Eddie Jeffers, when Kenny fell in a hole and was forced against his handle bars. As a result his spleen was ruptured, so the doctors had to remove it, plus emptying a pint of blood from his stomach.

THIS ALL HAPPENED the early part of last week, so all in all he was in the hospital for about one week. He is home now and doing fine after having his sixteen stitches removed last Wednesday. He says his stomach is awfully sore and he's having a hard time maneuvering. We're certainly glad his injuries weren't any more serious than they were and that he's doing well.

SUNDAY WAS A bad day for cookin' and a good day for a barbeque! And if you missed it, well, sorry 'bout that! As far as the treasury went, we didn't make a great big profit, but everyone seemed to be having a fine time just being together. The food was excellent, and the board thanks all who came and made it a success. There was a lot of meat left over, and something has been mentioned about maybe having a barbeque sandwich supper sometime in the future. But more on that later!

DONATIONS FOR THE bridge are coming along fine. Our treasurer, Dan Bailey, said he deposited \$355 more in donations last Monday to bring the total to around \$500.00. Keep it coming in and it won't be long until we'll have a real live two-way bridge again!

OH, YES! DAN wanted me to mention that sometime in the very near future, road crews will be working on the roads on the north side with blacktopping. So don't any of you on that side start feeling slighted! They're working your way.

DID YOU KNOW we are going to have a wedding in Washington Park? Ann Johnson, daughter of Wanda and J. R. Johnson, has asked permission from the board to block the roads going into the park area on a certain afternoon in August so she can have her wedding without being interrupted by cars and motorcycles. I'll have more on this later, but it sure sounds exciting!

AND HERE COME the Keystone Cops, revived! Oh no it's not. It's our volunteer fire fighters! The two Palisades crews have had the truck the last week and have been learning to operate all the gadgets. They got together Sunday afternoon and practiced drafting water from the creek. Of the ten men committed, six of them came to the practice.

and according to Paul Fleming, it was a very good training session. (By the way, Paul was the one who thought they looked like the Keystone Cops!)

THE PRECINCT 1 Volunteer Fire Department will have a meeting in July to set a date for a get-together of the men and their families. Things are really beginning to roll, and I think we should be very proud of our men.

WEDNESDAY NIGHT BEFORE last was a very exciting night at the creek, and once again the men in the white hats proved that the best men always win!

SOME YOUNG MEN were caught trespassing, and the situation got pretty hot before all was said and done. The sheriff was called, and those young men were taken to Canyon and fined \$59.00 each. None of them could pay so they spent the night in jail. Of course they claimed to be guests of Palisades residents.

THE MORAL OF the story is, if you have guests, stay with them. If they go to the creek, you should go too. It will save you and your guests a lot of unnecessary hardships!

HAPPY BIRTHDAY TO Judy Webb who celebrated her 7 birthday today. Hope you have many, many more!

DO YOU KNOW anyone who's interested in wild life photography? I hear D. L. Brackeen has some very rare collections of snapshots of speedy turtles and hungry road runners!

MANY OF YOU will appreciate this little story told me by my mother-in-law. Did you hear about the little boy who was showing his friend through his house? When they reached the bathroom, he pointed to the scales and said, "And this is where Mommy measures her feet every morning!"

THAT'S ALL FOLKS! See you next week!

### Lake Tanglewood News

NEWS THIS WEEK will be short and sweet due to trips, vacations and out-of-town guests. Maybe when everyone returns they'll have some exciting news.

CHURCH MEMBERS MET outside last Sunday. Fewer were present than usual because of vacations. Only about 100 members were there. Everyone enjoyed the special music, "The Lord Is My Shepherd" and "Living for Jesus," sung by Margo Cox and Mota Maye Russell, and the sermon delivered by Dr. Newton Robison, church minister.

TRAVELLING ARE RUTH and Jim See, who are attending a family reunion in Caprica, Kentucky. Dorothy Jo Blackburn, who is visiting a daughter in Colorado Springs and baby-sitting for her while she moves; Jody and Rovina McBrayer, Buddy and Jean Owens and Nelson and Jan Cash, who are all on a fishing trip in Colorado. We hope they all have enjoyable and safe trips.

A WARM WELCOME to Sam and Mamie Hunter's guests, Mr. and Mrs. Jack Davis and son

Mark, who are here for a week from Irving.

THE ANDY WILLIAMS Show and Englebert Humperdink were the highlights of a recent trip taken by Mel and Don Potts to Las Vegas. They both enjoyed the shows very much.

BETTY AND JIM Thomas went to Dallas recently and wound up buying a new Murtex boat. They are really thrilled over their apricot-colored investment and can't wait to get it in the water!

CONGRATULATIONS TO DONNIE Westfall, twelve-year-old grandson of Claudine and Lawrence Van Doran. Last Sunday he won his thirty-eighth trophy as a motorcycle racer. He won a first place trophy last Sunday at the Pit in Amarillo for the Mini-Man races. Again, congratulations to him.

SPEAKING OF THE Van Doran's, they left today for El Paso to see their daughter. So if you have news, please contact Lorene Walker, 622-0231. Thank you.

SO LONG-

W. A. Warren accepted a plaque Tuesday on behalf of Warren's Department Store for 50 years association with the Florsheim Shoe Company. John Mallon, southwest representative with Florsheim presented the plaque.

### News Brief

Mrs. Lula Myers Johnson has returned to Denver, Colo., after visiting with Mr. and Mrs. Luke Miller, 300 14th St., and other friends in the Canyon area. Mrs. Johnson, whose husband

Rufus recently passed away in Denver, plans to move to Canyon in the near future.

### Three At A&M Ranked High

Three Canyon students have earned "Distinguished Student" ranking at Texas A&M University, College Station, based on averages for the spring semester just completed.

Canyon students are William R. Lumry, son of Col. and Mrs. Raymond H. Lumry, 505 Taylor Lane, senior mechanical engineering major; James Breitling, son of Mr. and Mrs.

James D. Breitling, Sr., Route 1, junior agricultural economics major; and Billy Lee Reynolds, son of Mr. and Mrs. Chester Reynolds, 1312 3rd Ave., sophomore mechanical engineering major.

In order to qualify for the distinction, students must have attained at least a 3.25 grade point average while taking a minimum of 15 hours and receiving no grade below "C."

### Major Miller Graduated At Air Force School

Major Ralph E. Miller, son of Mr. and Mrs. James E. Miller, 170 22nd St., was graduated June 2, from the U.S. Air Force Command and Staff College at Maxwell AFB, Ala.

Major Miller received intensive training in advanced military leadership, management and the use of aerospace forces.

### Don Stribling Is Health Volunteer

Don Stribling, son of Baldwin J. Stribling, 2421 13th Ave., will volunteer his services as part of Mobile Health Fair at Anton Chico, New Mexico, June 26-July 1. He represents the congregation of the First Presbyterian Church.

Don will be part of a health team composed of a doctor, a dentist, three dental technicians, a registered nurse, a youth leader, and five or six volunteer teenagers. They will combine in a project of health education for people of isolated communities in the New Mexico area who have little or no access to professional medical care.

The Mobile Health Fair project is sponsored by the United Presbyterian Board of National Missions. Since 1966 the project has attempted to help in long-range community development by involving local people in the planning and use of resources offered.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: JOHN NOEL EDIGER, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Court-house thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 17th day of July A.D. 1972, to Plaintiff's Petition filed in said court, on the 2nd day of June A.D. 1972, in this cause, numbered 11,956-A on the docket of said court and styled in the Matter of the Marriage of Marilyn Kay Ediger and John Noel Ediger.

A brief statement of the nature of this suit is as follows, to-wit: Suit for divorce and custody of minor children, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at

Giants Tops In Minors

In the Minor Division of the Canyon Little League, the Giants are out front in the three-team lineup.

The baseball season ends for the division July 10. Friday night, the Giants will take on the Cubs in action at 8 p.m. in Little League Park, and at the same time Saturday the first place team will play the Phillies.

In recent action, the Phillies clobbered the Cubs 17-10, while the Giants kept their top standings by beating the Cubs 18-14 last week.

In other games last week, the Cubs downed the Phillies 16-10, and the Phillies edged the Giants 9-5.

MINOR DIVISION STANDINGS		
Team	Won	Lost
Giants	6	2
Cubs	4	5
Phillies	2	5

Dodgers Lead Major Teams

Two games tonight in the Major Division of the Canyon Little League will wrap up the season.

At 5:30, the last place Astros will play the Braves, and at 7:30 the first place Dodgers will take on the Red Legs.

The Dodgers held on to their first place lead Monday with a 16-15 win over the Yankees.

Other play in the past week saw the Red Legs beat the Astros 18-16, and the Braves downed the Yankees 4-2.

In other action, the Dodgers and Astros tied 17-17 in action last week, while the Yankees defeated the Red Legs 31-7. Dodgers bested the Braves 14-7. Astros downed Yankees 11-4 and the Braves posted a 15-6 win over the Red Legs.

MAJOR DIVISION STANDINGS		
Team	Won	Lost
Dodgers	11 1/2	3 1/2
Red Legs	8	7
Braves	7	8
Yankees	7	9
Astros	4 1/2	10 1/2

News Brief

Mrs. Billie Miller, daughter of Mr. and Mrs. Luke Miller, 300 14th St., visited briefly with her parents as she traveled to and from the Federal Narcotics School in Oklahoma City, coming from her home in Dallas. She has completed a narcotics course required in her work as a Dallas City Policewoman.

Garage sales offer a personal touch and variety seldom matched since the disappearance of the old-fashioned general store. Here a proprietor straightens her merchandise after a flurry of visitors.

Canyon Mini Markets Thrive

Any woman who can turn a garage full of old clothing, dishes, and vacation souvenirs into an asset—the kind with a dollar sign before—deserves the undying gratitude of her family not to mention recognition by the news media.

But gratitude is really not what the typical Canyon housewife is seeking who undertakes a garage sale. She can expect to turn a tidy profit of not less than \$50 for a modest effort, up to hundreds of dollars, depending on the number of women joining her and the items for sale. With that kind of money she can afford to buy new drapes or even leave her husband.

Or he might leave her. One bewildered male unloading a dinette set from a pick-up was heard to say, "You know, I was just eating breakfast on this table a few minutes ago when someone pulled it right out from under us."

The garage sale, one can note with comfort, is a thriving institution in this age when American institutions are crumbling. Nearly a dozen were under way in Canyon last weekend.

The "clear-out, clean-up, and cast-off" operation may seem outwardly simple. But a lot of tough decisions are involved.

People don't part easily from long-treasured items like those recently on display in the quiet byways of Canyon unless prodded by an iron resolution. How else could you explain priceless memories like a lacquered blowfish going for 50 cents, a spangled ballet costume for 75 cents, a decoupage handbag for \$1, an antique peach peeler for \$10, a waterproof tent for \$40, and an English tandem bike for \$60?

Having a garage sale is one way a woman has of announcing to the world things have changed, or if they haven't they're going to. These mini-markets that spring up like mushrooms in backyards and drive-

ways give notice that Susie is out of the playpen, Johnnie has grown two inches and is ready for a larger bike, or the kitchen has been redone and the old refrigerator is out.

Some items are less difficult to part with than others. Take that hamster on Holman Lane that was priced at \$2.50, including cage and food. While the innocent creature frisked about on his wheel, the seller murmured defensively, "My daughter just didn't keep the cage clean and remember to feed him."

Also, a garage sale, giving or going to, is one sure-fire way of getting out of one's shell and mingling with the world. In other words, it's a social institution just as indigenous to the United States as a date, rug and hash-

ish market would be to Beirut, Lebanon.

Can you think of a better way to find out your neighbor's shoe size, that she handknits sweaters and paints owls on burlap, that her husband won a bowling trophy, or that the whole family once camped at Yosemite National Park?

Of course, managing a successful garage sale requires a lot of know-how. Here are a few wise tips.

Let no hint of defect in merchandise leak out—don't worry, the customer will find these out soon enough. If a minor flaw is called to your attention, graciously cut the price. If a major flaw is disclosed, say the item belongs to someone else.

About pricing. Think of some ridiculous sum and then lower it 50 cents. One immutable law of merchandising is that one never cuts prices before high noon—of the first day; that is.

Give the buyer a feeling that he's on a mission of discovery. Have as many items and as varied as possible. The good items look just that much better when juxtaposed with junk—junior's sneakers that never really fit him will be grabbed up right away if you toss them casually in with those pointed-toe, spike-heeled pumps no one in her right mind would buy.

One word of caution is due. In the confusion of the morning's rush, avoid selling any of your husband's tools, the garden hose, or lawn furniture that might be about.

Above all, maintain the cheerful philosophy expressed in the large sign exhibited at a sale on Third Avenue: "If you don't like our prices—haggle!"

Art Club Hears Talk

The Palo Duro Porcelain Art Club met at the Canyon Community Center on Friday, June 16, for a business meeting and lecture by Mrs. Anna Ruth Erwin, Mrs. Frances May, president, presided.

Mrs. Erwin demonstrated blue and white pottery and designs taken from Bible verses and German hymns.

Mrs. Merle White showed a blue onion plate, an heirloom in her family for 85 years.

Hostess for the day was Mrs. Ruby Jennings. Members present were from Amarillo, Canyon, Claude, Happy, and Hereford.

The next meeting will be a workshop in the Community Center on July 21.

Gene Howe News

Vacationers Alight Or Take Off

By TROYCE MULHERIN

MR. AND MRS. Mac Thrash and Pam and Kim have recently returned from a trip of over 2500 miles. The Thrash family together with Mac's father and mother, Mr. and Mrs. Herman Thrash of Liberal, Kansas, and Mac's aunt, Mrs. Ruby McKnight of Boise City, Oklahoma, took in the fun at Six Flags over Texas, and then headed for New Orleans. While Mr. and Mrs. Herman Thrash and Mrs. McKnight enjoyed the doing's and talking connected with a family reunion, the Thrash family from Amarillo toured New Orleans, taking in the French Quarter and other sights. Having some friends living there in New Orleans, Mrs. Thrash says the family saw absolutely everything there is to see.

THEY LEFT NEW Orleans via the Pontchartrain Bridge, which is advertised as the longest bridge in the world, and which lies across an inlet of the Gulf of Mexico. On to Biloxi, Mississippi, where they ate at a restaurant situated out over the water. From there they spent some time in Vicksburg, touring the old homes and national monuments, including a tour of the Vicksburg National Military Park, and enjoyed viewing the artifacts depicting the siege of Vicksburg at various museums.

HOT AND TIRED the Thrash family headed for home with a new addition to the family. Mac bought himself a baby alligator, named it "Fred," and after assuring and reassuring his mommie and aunt that it was "harmless," and stopping at practically every service station on the way to dampen Fred, finally got him home and ensconced in an Aquarium. Fred hasn't started eating yet, and Mrs. Thrash hopes his first meal in Texas won't be a finger.

HAPPY BIRTHDAY TO Dek Balke on the 27th.

MR. AND MRS. Bill Edwards have returned home from their vacation. They visited Mrs. Gerald Vierdige in Grand Prairie and treated Shannon and Jay to Six Flags over Texas. The family enjoyed several days in Bella Vista, Arkansas, where they swam and golfed and lazed around. Sarah said the scenery at this mountainside resort was breathtaking (no wind either). She sure was glad to get back on these nice Texas Highways, as those crooked Arkansas roads almost did her in, beautiful trees or no.

LISA BASHAM, DAUGHTER of Mr. and Mrs. Pete Baker, is sharing herself with her grandparents this summer in Lufkin.

Mr. and Mrs. C.E. Basham and Mr. and Mrs. T. C. Carroll are tickled to have her, and bought Lisa an orange ten-speed bike to speed her back and forth on her visits to their respective homes. Little Shannon Baker was riding her pony recently, and when the saddle slipped, she tumbled and broke an arm. Momma Marylon says the cast hasn't deterred Shannon's enthusiasm or mobility.

SHERRIE CATES, WIFE of Roy, quietly observed her birthday on the 15th, resting. As busy as the Cates family is, she felt just being given the opportunity to rest is celebration enough. If any of Ronnie Cates' friends want to visit with him this summer, they will have to go some get at the station at the Big Texan, where Ronnie, dressed in western attire, is working. Jeff Cates is selling firecrackers at a stand located at the end of Coulter Road and 34th Avenue. These boys are also playing baseball and participating in scout activities, and a jillion other things. Kenneth is playing ball for a major league team calling themselves the "Astros" out of Canyon. Noble Cates is enjoying some rest and recreation in Hawaii. He will also visit Japan before returning to duty for the Navy.

SEVERAL SCOUTS FROM Cub Pack 130 spent Saturday at Camp Don Harrington in "Cub Country". This was a day construed for a little boy's afternoon of pleasure, including practice at the target range, taking in a nature trail, and crafts connected with scout work. Adult supervision was provided by Roy and Sherrie Cates; Bill Seth, cub master; Pat Seth, den mother; Bill Edwards, advancement chairman; Sarah Edwards, den mother; Mrs. Alton (Betty) Stokes, assistant; Jackie Mayfield, den mother; Louise Broome, assistant; and Barbara Dove.

MANY NEW FAMILIES are moving into the Gene Howe area, and those interested in cubbing, that is, either helping with the scouts or those having children interested in becoming scouts, should call Mr. or Mrs. Cates at 355-2080 for information.

MR. AND MRS. James Nash are delighted to have their son, Specialist 4 Randall Nash, visiting with them. Randy is on a thirty-day leave from the U.S. Army Mortuary stationed in Saigon. Nice to have you home for a while, Randy.

HAPPY BIRTHDAY TO Mrs. Ronnie (Tonya) Holt on the 27th.

MR. AND MRS. Bill Hall have recently returned from a Barnett Brothers Brokerage convention in Ruidoso, New Mexico, where they took in some horse races. Wilma wouldn't say if they won or lost or broke even, but did admit to having a lot of fun and enjoying the convention activities and banquets.

LOIS AND JOE Nix have returned from a Western National Life Convention in Juarez. They spent about a week there touring the city and participating in the convention sponsored activities. Saw a dog race, too. Lois and Joe are particularly proud of their daughter, Susan, who is in Colorado Springs in a summer ice skating school at the Broadmoor. Professional and championship caliber skaters have started with the same training that Susan is undertaking now. Progress of the skaters is determined on a testing basis, starting with a "pretest", which Susan passed last summer.

THE COURSE OF training includes figure tests numbered one through eight. This summer Susan is working on her first figure test, which she will take on Sunday, July 2. The seventh test is referred to as a "Silver Medal" test and the eighth test a "Gold Medal" test. These figure tests include figure eight's and all the school figures we armchair participants watch ice skaters perform on the telly.

SUSAN'S DAY STARTS with a lesson at 5:45 in the morning six days a week, so this is obviously an exacting and energy consuming endeavor for a fourteen year old girl. Those of us in the Gene Howe Area are extremely pleased that Susan is "one of us", and we applaud her drive and enthusiasm and wish her only "passing grades" on all those tests.

THE THIRD and fourth grade baseball team coached by George Leonard and Kenneth Drost is really coming up in the world. These girls have won several games, and in their recent game with Highland Park Tammy Tucker hit two home runs (one a grand slam) and Carla Schmidt and Patty Team each hit homeruns.

THE FIFTH GRADE girls' team recently showed "who was boss" in a win over their mothers. The score was 11 to 10, so the girls can't strut too long. Cindy Todd and Janice Delaney hit homers for the girls, and Mrs. Olen (Pati) Ray played heroine for the mothers' team, being the only one to hit a homer. For shame, Mothers.

DARLENE AND GEORGE Bell have recently entertained house guests from

Louisiana, Allie and Louise Robbichaux. Darlene and George sent Allie and Louise home with their heads brimming over with knowledge of everything Amarillo has to offer, including a fun day of touring Palo Duro Canyon where Darlene conducted a "test-drive" of her new green and white Ford Galaxie. Me thinks she is going to get a lot of test driving in running Donnie, Mike and Monty around to their various ball games. Darlene did manage to get some "mommie time" in on a weekend visit with her mother, Mrs. Esther Bombarger, in Clovis.

"MOMMIE TIME" IS rather hard to come by sometimes, as Mrs. Harold (Billie) Erwin will attest. While she is cooking three big squares a day and performing all the other chores assigned to a farming wife, daughter Lisa visited in Clarendon with Laurie Carlisle of Canyon and her grandmama; and, Tracie flew to El Paso for a visit with Vickie Abbott, daughter of Mr. and Mrs. Joe Abbott. Vicki and Tracie visited Juarez, took in the dog races and did an awful lot of fun sightseeing.

BOYS HITTING HOME-RUNS for the Gene Howe first grade win over Coronado were Kevin Smith, Dwayne Hollis, Shane Sanders, Dusty Dove, Russell Schmidt and Jason Bass. That aluminum bat the coach got for Father's Day seems to be just the thing!

CHERYL MCNABB RECEIVES our best wishes for her birthday on the 27th. Mr. and Mrs. Eldion McNabb, and Lori, Roger and Cheryl have returned home from touring Disney World in Orlando, Florida.

MR. AND MRS. H.W. Lichte have been showing their houseguests, Mr. and Mrs. E.R. Wheat, on from Gainesville, Florida, some points of interest here, such as Palo Duro Canyon, and Boys Ranch. The Lichte children, Pam and Leigh and Dusty, have managed to get in some good times, too, such as swimming and horseback riding.

PAULINE AND C.W. Hefley will celebrate their eighteenth wedding anniversary on the 3rd of July. Pauline says she has spent fifty per cent of her life in the married state and that the year 1972 is double her age. Or something. If anybody can figure this out, you will know how old she is. If you can't figure it out, call me with your news, and I will tell you. If she ever gets all that cream pie off her face, we could count her wrinkles. We'll not say who so decorated her, but

Pauline contends she's pleased that this secret desire has been fulfilled. Apparently, the temptation was too great for a mere mortal to overcome.

BON VOYAGE TO Michael Rinehart, son of Mr. and Mrs. Robert A. Rinehart. This ex Gene Howe youngster, who will be a senior next year at Canyon High, will leave for Europe this week with a group of area students. They are undertaking a course of study of comparative cultures; and, since these students will be living with various families in the countries they visit, they will obtain a real insight of family living. Michael and his co-students will fly from Houston to Madrid, from Madrid to Rome. From Rome they will take a train to Austria and then on to Paris. They will wind up their trip in London, and Mike is looking forward to attending several plays there. We wish Mike a fruitful trip and speedy return home in about seven weeks.

MEMBERS OF THE Jim Riley family went separate ways this past weekend. Randy, traveling with Robert Scott and the Scott family, is visiting San Antonio, Houston and Arkansas. Tanya enjoyed water skiing and swimming at Greenbelt Lake with the Ken Wallace family. Rusty Riles took his very first bus ride to Hereford to visit with his grandparents, Mr. and Mrs. V. W. Waters. Rusty is going to work with his grandfather, who is a cement contractor. Kay and Jim decided to take advantage of the Kiddo's absence, and spent a few days in Red River, New Mexico. They fished and hiked up to middle fork, which was quite a trek. Jim not only caught more fish, but his were bigger, too. Better luck next time, Kay. They fished at Cimarron before returning home.

HERB MCGREGOR IS really bragging, with good cause, on his sixth grade baseball team. These girls have played seven games and won seven games. He says they intend to squeeze in four more wins and bring home championship rating. Kim Wallace has contributed some more home runs to this cause. Good luck, girls.

THE BASEBALL SEASON is growing to a close, and if you coaches will call in your standings, we will proudly relay same to the Gene Howe area. THANKS FOR THE use of the hall. CALL IN YOUR news, 352-6053

TROYCE.

PEE WEE ORIOLES. From left, front row: Terry Orick, Paul Flynn, D'Ray Peeples, Hank Dodson. Second row: Trey Kent, Gary Chumbley, Todd Peppard, Kevin Weber, Thomas Ash. Third row: Barry Baker, Todd Dennis, Scott Weber, Jerry Mann. Coaches Kent Peeples and Lloyd Kirks.

Congratulations

On A Good Season !!

MINORS PIRATES. From left, front row: Steve Hufstutler, Robin Higgins, James Banks, Richard Comer. Second row: Larry Mann, Joel McKinney, Jerry Cunningham, Larry Gallop, Jesse Johnson. Coaches David Hamilton and Claiborn Crain.

Barn Stompin' Caps

Canyon Days Festivities

The old tradition of hayloft dances will be a highlight of the Canyon Days Celebration this year.

The big barn stompin' dance will cap off the annual celebration at 9 p.m. July 8 as guys and gals gather at the Junior Livestock Barn to dance to the music of Don Mansell and his Don Juans.

The dance will be western style, and Canyon Days officials are urging all dancers to wear western attire.

Congratulations on a fine season.

BABE RUTH GIANTS: From left, front row: Greg Pitt, Randy Langen, Richy Cooper, Ernie McClain, Dwight Lehman, Doug Palmer. Second row: Hoss Ratliff, Tom Dawdy, Lynn Wright, Ronnie Howell, Jim Ward, Steve Lehman, Coach Roy Wright. Coach Phil Langen absent.

Happy News

4-H Wins Firsts — Rainbow Girls Tour Houston

By MARY NEAL HENRY

WHILE EVERYONE ELSE was having tornadoes and high winds and flooding Wednesday night, all we had was just a rain.....and a house guest. Mrs. Jerry Ray of Vigo Park came to the house soaked. She had car trouble. Well, it was no night for car trouble.

THE TRI STATE High School Rodeo Association met Wednesday night of last week and sent entry blanks to all the Tri State Clubs to Happy's rodeo August 4th and 5th.

SEVENTEEN PINTS OF blood were given Wednesday for Mrs. L.W. Rhoads when the blood mobile came to Happy.

EDDIE AND JIM Cope and Joda and Jeffina are in Miami helping brand and move cattle on the Lips Ranch for Marshall Cator and visiting relatives.

NAOMI (LANCASTER) HAYHURST of Las Vegas, Nevada, has been in Amarillo visiting her mother, Velma Bowles. They were also visiting in Happy. Velma returned to Las Vegas with Naomi.

MANDI SHIPMAN TRAVELED to McKinney with Belle Cate on Friday to visit the Poe Cates.

CONE AND SWEETIE Johnson treated all those who helped with their anniversary celebration at the County Barn on Thursday night.

4-H OF HAPPY won several firsts at the County Show. Hatters were given for first place.

Colette McCarley won Class 2: Registered mare under five years of age. Jay McCarley won Class 3: Registered mares over five years of age. Neal Odom won Class 4: Any breed mare under five years of age. Neal Odom also won Reserve Champion. Eddie Joe Pearson won the Showmanship, western pleasure and reining in Class 2. Eddie Joe Pearson won the Pole Bending and second in the Barrel Racing, and third in showmanship. Chris Pearson won third in western pleasure and third in barrel racing, and fifth in gelding in five years of age or over.

BILLIE AND WAYNE Pearson and Bill went to Ft. Worth to the horse sale. They stayed with Mildred and Don Carr. The Carr's son was in the catalogue riding a couple of the horses. Wayne and Billie came home with two.

HELEN BRYAN HAD surgery at Nebbett Hospital on Monday.

MRS. RALPH BRYAN is staying in their home to keep Rowdy Winn.

RUBY AND J. L. Oler, Donnie and Jay visited Thurman at Corpus Christi and Beeville and fished on Lake Corpus Christi. They dressed out thirty pounds of fish. Thurman is stationed at Beeville (Navy) and Ruby said they stayed in the nicest trailer house—all the nicest conveniences—had a nice trip.

WILLA Jane Miller recently took her mother, Mrs. Smythe, to Corsicana to see her sisters.

A LARGE CROWD attended Vicki and Bill Whitlow's wedding Saturday night. I asked Darrell Wilson if he went home and came back or stayed the whole

week to get two nieces married off. Their little boy made a cute ring bearer. Vicki came down the church steps and threw her bouquet in the top of the tree. Aunt Livia Davis was at the wedding but she said she was going back to Ohio, Colorado, where it was cooler. I've spent many nights with Aunt Livia and if I ever get up that way, I'm going by to see her. I enjoyed seeing Dorothy Magness, too.

ANN AND WELDON Sims have moved to Rosebud, New Mexico. Weldon will farm and run cattle there.

JO (WALBERG) WAS at the wedding. She joins her husband in Norway August 1.

PECOS MCINTYRE WON the Steer Roping at Tucumcari Sunday. Shi Hurst won a go with 15.7. Sonny Davis tied the fastest steer of the day in 11.3 seconds. Walter Arnold tied one down in the same go in 12. Sounds as if it were a good roping.

AFTER RANDALL COUN- TY Home Demonstration Council Monday, I went by the hospital to see Helen Bryan. She looked wonderful. I told her that I hadn't really expected her to remember I'd ever been there. E.W. Schaeffer was in the room across the hall and Evelyn Shipman was sitting with him. Mr. Schaeffer said he felt well. He was taking oxygen and lying there in that air-conditioned room and I told him that was good—that Evelyn must need the rest sitting there in that chair.

OLLIE NICHOLS WAS there, too.....since about 1:30 a.m. She had food poisoning. Ollie was seriously ill for a few hours but she was doing fine.

AL WALKER, CAMMA Lou's dad is still serious at High

Plains. His room is 436 at High Plains if you'd like to remember him.

LISSA FOSTER HAS a broken arm because of a wreck on the mini-bike. Kim was skinned up badly but unbroken.

NANCY SMITH CALLED Lena early this week and she is better. They will soon take the pins out of her right leg and put another cast on it. She had been x-rayed from stem to stern and everything is working. She'll still be in room 6435 at Baylor Hospital in Dallas for a couple of months. Nancy has really enjoyed hearing from so many friends.....some she hadn't heard from since graduation. That's been 19 years, Nancy.

NELL AND CARL Sims, Juanita and Lowell Johnston, Junita and Speck Benham, Sue and Meade Michael, and Marg Sharp attended a Beta Sigma Phi State Convention in amarillo last week end.

JEFF AND JAY stayed with Granny Bell while their Mom and Dad were at the convention.

NELL SIMS RECENTLY had a very light case of hepatitis. She is lucky to have caught it so soon.

VESPER SIMS IS under the doctors care. She goes for treat- ments and returns home.

EARL BELL COSBY called this morning. He has a cow and calf missing. The cow has a lion left hip and the bull calf has a split right ear. He thought Tom might have seen them because they are supposed to be East of us.

FRANCES AND MARVIN Flowers and Kathy and Byron spent last week-end in Ft. Smith, Arkansas, visiting Frances's parents.

BROTHER M.O. Evans, our interium pastor while we are without a pastor, preached last Sunday in Brother Paul Heil's absence. Brother Paul and Phoebe will return this week from touring the Holy Land.

NEXT SUNDAY IS prom- otion Day. Don't miss that!

THE MUSTARD SEED is open from 2 to 5 p.m. every Tuesday, Wednesday and Thurs- day, and on Friday and Satur- day night 8 p.m. to 12 p.m.

RUBE AND THELMA Wesley of Colorado Springs spent Sunday and Sunday night with Pauline and Woodrow Wes- ley.

DONNA ANN MAGNESS was pleasantly surprised with a birthday party on Tues- day, June 20. Home made ice cream cake and cokes were served to Tanya McCarley and Corey McCarley, Pat Williams, Kipa McFarland, Susan Rahlfs, Mary Lou Hancock, Debra Magness, Sandy, Thane and Wade Morgan, Irene Uselding, Margaret Murdock, Merle and Leona McFarland and Mary Ann and Don Magness. Donna also received gifts and cards from Bill and Louise Conway of Amarillo, Hank and Clara Magness, Mildred and Willard Middleton, Ava Nell, Gene and Randy Pope of Tulsa.

MRS. C.R. (Suzette) Sisk Wesley was honored with a bridal shower at the Methodist Church Fellowship in Adrian on Wednesday of last week. Hostesses included Messrs. James Whaley, Jake Forten- berry, Earl Brown, Sam Hobbs, Leland Burns, Lorin Creitz, E.N. Jacobson, and Miss Linda Pridmore and Miss Angela Heiselman. Pauline Wesley attended the shower (mother of the groom, you know.) Suzette and C.R. received many lovely gifts.

THE RAINBOW GIRLS left Happy about five minutes until ten Saturday night. Lots of excitement. I am so used to going, it was surly hard on me to have to stay home. Seventeen girls and five adults went from Happy. Oram Mary Sims, Ruth Mann, Faye Parker, Ferne Spear and Evelyn Dowd sponsored the trip. Mary Ann Sims, Sheri Henry, Debra Jackson, Kay Spear, Sandy Railsback, Beverly and Barbara Dowd, Connie Hand, Jodi Foster, Brenda and Cathy Parker, Kim McCaslin, Nancy White, Becky Stubblefield, Karen Sims, Dianne Johnson, and Rhonda Fellers went. Snooks Robinson planned to join them on Wednesday and attend some of the sessions with them. He was due in Houston for a check up on Friday.

I LIKE TO see the younger girls get to go. They are so cute. The first time I'd ever been to Houston in my life was nine years ago when I was the Mother Advisor of Rainbow and I was more scared than I'd ever been. There I was in Houston, one of the largest cities of the United States, sponsoring a group of Rainbow Girls and I didn't know East from West. I had good help though. Irene Hardaway, Gerry Holland, and Ruth Mann went that year. I don't remember who else. We stayed at the Sheraton- Lincoln. Would you believe for \$7.50 a night?

TULIA RAINBOW ASSEM- BLY went with Happy this year. (That helps on the bus fare. The cost of chartering a bus is out of this world.) Before they return home, besides attending the ses- sions, they will have toured Nassau, the Astrodome and visited Astro-World.

RHONDA FELLERS AND Kay Spear served as Grand Guards and Karen Sims sang in the Grand Choir.

JUST MAYBE THEY got to visit Galveston or the Battle Ship Texas. None of this group had ever been to Houston before. Seems as if they should have stayed an extra day to sight-see.

THE HAPPY ARTIST Studio participated in an Art Show sponsored by the Memphis Art Studio in Memphis, Texas last Saturday. Happy sent twenty-one paintings and won seven ribbons! Kathy Moudy won a third on an acrylic, "Spring Bouquet"; Irene Hardaway won first with an oil, "Sunflowers"; Mary Womack won a first and a second with two water colors, "Loose Ends" and "Storm Over"; Ermetine Danner entered three oil paintings and won first on "Return at Sunset", and Joy Cox won the door prize. Jan Bell, an artist from Post painted Joy's portrait in pastels. All these paintings and Joy's portrait are on exhibit at Zelma's Art Shop.

KATHY, ALVIN and Carolyn Moudy, Tom and Joy Cox, Ernestine Danner and Irene Hardaway attended a tea in Memphis on Sunday before bringing the paintings home. Be sure and see these.

THE EDMONDS FAMILY had a family reunion on Monday night at the Jaycee Hall in Happy. Mom grew up with this family and was invited to attend. One of the Edmonds grandchildren ask if they were kin to Oma. We went by to get all the names and Harry insisted that we have some supper. It was delicious. I happened to remem- ber as I ate, that I hadn't had any lunch that day. George and Doll Edmonds and Molly Sue and Dee Cawthon of Canyon and their children, Jackie Edwards, Bobby Edwards, Cindy Cawthon; Harry and Ottilie Edmonds and Travis and Ruth McGaughey and son; Steve and Darlene Cole and Junior and Bob; Velma Greenfield, Wilma Hold, of Ama- rillo; Ruby Morris and Roger Morris, of Happy; Pam Edmonds; Roy Edmonds of San Antonio; Kenneth Edmonds of Kerrville; Mrs. Agnes E. Rohlena

and Robert and Betty Edmonds of Cedar Rapids, Iowa; Milton and Elma Edmonds and Hazel Edmonds, and Pearl Oswald, of North Liberty, Iowa; Neil and Karen Rohlena and family and Randy Rohlena and Renee Rohlena of Fairfax, Iowa; Joe and Alyce Rohlena of Swisher, Iowa; Mother, Angelique and I.

THOSE HAPPY CHARMS coached by Sharon McCarley and Kay Venhaus are Shann McCarley, Kathy Flowers, Kelly Weavers, Vicki Venhaus, Carry Venhaus, Kim Price, Vicki Jones, Teri Patching, Genie Jackson, Kelly Malone, Ann Smith, Vanessa and Evelyn Malone. They played both Wednesday night and Sunday evening and lost both games to Nazareth Red Hots. This little group has really improved since they began. Some had never played softball before.

HAPPY JAYCEE-ETES served homemade ice cream and brownies at the soft ball game Sunday evening. There was supposed to have been a double header but one game was not played because so many girls were out of town.

HAPPY CHIEFS LOST their game last Friday night, but Vance Morrison and Doug Sims and Tim Moudy all hit home runs.

THE HAPPY LITTLE League Braves lost on Tuesday of last week to the Yanks by three runs. On Friday night they beat the Dodgers at Nazareth 9 to 6. Danny Wrenn hit two home runs and one of them was a grand Slam home Run. The Braves are currently tied for second place in the league.

DONNA MCDONALD (REED and Joan's) and Barbara Dowd recently returned from Girls' State. Donna was elected Police Chief. Must run in the family. Donna said that she had three deputies and a jail. They arrested one girl. She assaulted an officer, resisted arrest, disturbed the peace and then she escaped. After she was taken into custody the second time, she got a fifteen minute sentence and was fined fifty cents. Donna said they had a great time and that Girls State is very educational.

HAPPY 4-H HAD a trailride in the canyons on Friday afternoon. At the end of the trail ride, they roasted weiners and had homemade ice cream (by Billie Pearson). They had fun! Angelique told Kevin and Kyle Odom when they drove up, "Ha! Ha! J.T. and I were the first ones here." Kevin, Kyle and Neal Odom were the second and Pete, too. Becky and Gui Walt Via, Ronnie and David McDonald, Debbie Magness, Eddie Joe Pearson, Chris and Bill Pearson, went too. Billie and Wayne Pearson rode and Betty and Floyd Tipps and Nancy Woods and her parents, George and Vivian. Betty Tipps and Vivian Woods rode. Sheri finally decided she'd go and I went back to textoning. I intended to get down there for a hot dog, but I didn't even make that. The children really enjoyed it.

MR. AND MRS. George Hancock of Pampa have been visiting Joyce Lane in Wayside. That is Joyce's sister, you know.

PHYLLIS BRADLEY SPENT part of the week-end with me. She says that Chris is fine. He is planning to attend college at Clarendon this fall.

CARL AND HELEN Bryan, Della and Bob Henry, and Alfred and Bonnie Beucker celebrated Carl's birthday by having steaks at Ruth's and then going to the Villa. They had a nice time. Helen had planned Carl a surprise party but was unable to go through with it after her surgery was scheduled.

LAMOINE SCHRIB HAD a tupperware party on Tuesday afternoon in her home. Patsy Schrib is a dealer now. She held the Party. That is Patsy Christensen.

THIS YEAR'S HOME- COMING will honor the

Football Team of 1922, Happy's first I understand. It was O.R. Bridges (coach) now deceased; M.B. "Whitey" Walberg; of Portales; Johnny Mann, FB, of Pampa; Winfield "Wendy" Miller, G. of Canyon; Ernest Miller, HB, of Plainview; Roy "Speck" Aikman, E. of Olton; Fred Mulkey, C. Hereford; W.S. "Bill" Thomas, T. of Abilene; Harry "Hap" Harrison, T. Midland; Ernest "Pete" Goettsch, T. of Hereford; Warren "Babe" Walberg, QB, of Happy (Babe, I didn't know you were a quarterback!) Oscar Fonken, B. of Beatrice, Nebraska; George Uselding of Happy, Sanford "Sandy" Arnold of Santa Fe, New Mexico; Vincent Schuman of Hobart, Oklahoma; Terry Maybean, deceased; Willard Miller of Perryton; Herman Miller of Reno, Nevada; C.O. "Jeff" Whitman of Happy; Homer Harrison, deceased, Ed Money, Lester Knox and "Arky" Dalton. Maurine Allison, Ex- student secretary, has heard from some of these and we want to share their letters with you. Ernie G. Miller tells about 1922. One day back in 1922, Mr. O.R. Bridges, the superintendent of Happy Schools asked all the boys that were interested in playing football to meet him at noon and he would explain the game to us. At that time, not one of us had ever seen a game of football played. Mr. Bridges lined us up and explained the different positions and their duties. Looking back I can see why we developed into a good team in a short time. Having boys like Whitey Walberg and Speck Aikman for ends and both are tall and fairly fast. Then also we had good material for tackle and guards. We had Babe Walberg, Oscar Fonken, Jeff Whitman, Ernie Miller, and Johnnie Man for back field men. We also had some light weight boys for substitu- tes. Our little subs were not to be ignored because of their size. All these boys that came out for practice were naturals. Our first year was a little disheartening because nearly all the teams we played had a few years experience over us. Under Mr. Bridges guidance we developed into a good team and began to win some games which raised our morale. (Ernie also sent a picture of the team which will be there for Homecoming.) If any of the team have been left out we are sorry as you know 1922 is a long time back. I recall one game we played that was worth all the hard practice, bruises and bumps.

MR. BRIDGES MATCHED a game with Amarillo Jr. High. We were underdogs and knew it but after a good pep talk from Mr. Bridges we went in that game and won it - I can't recall the final score but anyway we were top dogs when the final whistle blew. All our games were won on Team Effort. We had our star players but the team effort always paid off.

MR. BRIDGES OWNED a 1929 model-A Ford. He would stack us in it and some local fan would take the rest of the team and away we would go. I can't say enough for Mr. Bridges. He certainly could get along with the boys on any occasion. The yearly reunion is a fine thing. It brings back lots of fond memories and a few sad ones. But we will all have to go to the last big game up there. May we all meet there.

ERNIE G. MILLER says that his leg is better and that he hopes to get to make the reunion. I DOUBT THAT Mr. Bridges had a 1929 Model A in 1922, but I don't know enough about cars then to guess what Mr. Miller had in mind. These letters are really good. Thank you, Maurine, for sharing them with me.

PLEASE KEEP CALLING me. I am at 764-2158 in the day time and 764-2865 in the night time. But it really doesn't take long to spend the night at our house.

SEE YA, MARY NEAL

## Business To Close For Fourth Of July

For the most part, students will be the only ones to have a four-day holiday for the Fourth of July.

Both West Texas State University and Canyon Public School summer students will be dismissed after classes on Friday and will not return until Wednesday.

Most businesses have indicated they will open Monday, but will close on Tuesday for the Independence Day festivities scheduled for the city.

Both the First National and West Texas State Banks will be open on Monday and close Tuesday.

All federal, state, county and city offices will conduct business as usual on Monday. This includes the United States Post Office.

The Post Office, however, will not deliver mail on Tuesday.

The Canyon Chamber of Commerce is urging that all businesses in the city close on Tuesday.

## Races Planned For Canyon Celebration

Bicycle races are being sponsored by the Canyon Police Department as an attraction of the Fourth of July celebration.

All morning long Tuesday cyclists in six age categories will compete for ribbons and trophies, according to police chief Al Stewart.

Five and six-year-old contestants will begin races at 9 a.m. Seven through nine-year-olds will begin at 9:30, the 10 through 12-year-olds at 10, and the 13 through 15-year-olds at 10:30.

All races in these age groups will begin at 11th Street and Creekmore, southeast of Canyon High School, and the route will proceed east on Creekmore. The finish line is at 18th Street and Creekmore.

In the first three age groups, which include all pre-teen contestants ribbons will be awarded for first, second and third places.

In all other groups, trophies will be presented to the first place winners and ribbons will go to those who place second and third.

Sixteen to 18-year-old contestants will begin racing at 11 a.m. Tuesday, and contestants 19 and over will begin at 11:30 a.m.

The route for the two older groups will begin at the corner of 12th Avenue and 8th Street, southwest of the high school, and will proceed north on 8th Street to the alley behind the high school. The route then will go east on the alley to Creekmore and follow Creekmore east to the finish line at 18th Street.

Stewart said West Texas State University students have been invited to enter the races and will be permitted to register early at the police department.

Other contestants must give their name and age to the starter

10 minutes before the race begins.

Stewart said the police department is stressing safety in the races as being more important than winning.

He said all bicycles must be equipped with brakes and all must be in good operating condition.

## WT Grad Honored By Gov. Smith

A West Texas State University graduate and longtime weekly newspaper editor has been honored as outstanding pioneer of the year at the 38th Lynn County Old Settlers Reunion in Tahoka.

He is Frank Hill, 65, who was graduated from college, was married and embarked on a 43-year newspaper career all in a span of three days in the spring of 1924.

Hill, then 21, reported for work at the Lynn County News, owned by his father, E.I. Hill Jr., on June 2, 1924. Except for one year as editor of the Nolan County News at Sweetwater, Hill spent all his time on the Tahoka paper.

He assumed full editorial duties of the paper in 1950 and 17 years later sold the News and retired.

The pioneer newspaperman received an award certificate and a special award prepared by Gov. Preston Smith at the reunion last Saturday (June 24).

Previously he had been presented the Texas Press Association's Golden 50 Award for half a century of service to journalism.

### News Brief

The once-a-month evening clinic for immunizations, usually held the first Monday of each month, will not be held July 3rd, due to the holiday.

It will be held August 7, 1970, 7:00 to 9:00 P.M. This is for parents of children needing immunizations who cannot attend on regular Tuesday

and Thursday clinics, 1:00 to 4:00 P.M. Address is 411 Austin Street, Amarillo, Texas near Northwest Texas Hospital.

MAJORS YANKEES. From left, front row: Brent Anderson, Terry Collins, Rob Haws, Bruce Byrd, Brad Edmonson, Gary Russell, Chuck Perry, Dee Haws, Kyle Kendrick with Terry McKinney, Bruce Higgins. Second row: absent. Coaches are Doug and Kenny Jones.

*Congratulations* To All. We Enjoyed Watching You Play.

## Capers Invite All To Dance On Canyon Days

The Canyon Capers invite all square dancers to their special Canyon Days dance to be held at 8:30 p.m., Saturday, July 8, on the Palo Duro Shopping Center parking lot. Knox Day will do the calling.

Their regular dance was held Monday night with Roger Thompson at the mike. Reddy Squares, a dance group from Amarillo, joined them.

Capers next regular dance will be 8:10:30 p.m., Monday, July 10, at the WTSU Activity Center with Knox Day calling.

## Beta Sigma Phi's Confer Ritual, Go To Convention

Beta Sigma Phi members, after participating in weekend activities of the state convention, conferred exemplar rituals on Mrs. Frank Adams on Monday of this week.

The Exemplar Ritual took place in the home of Mrs. Lewis Wygant in Amarillo, with Mrs. Robert Brotherton officiating. Others present for the ceremony were Mmes. Herbert Kuhlman, James Irwin, Johnny Robinson, Jack Godfrey, and the hostess.

Following the ritual, Mrs. Adams was presented a Beta Sigma Phi tray as a "going away" gift from the Xi Kappa Zeta chapter. The group, joined by Miss Betty Sue Patterson, had dinner at Meehan's Personality House with Mrs. Adams as their guest. The Adams are moving to Ft. Worth.

Events of the state convention began Friday with registration and business and ended with a barbecue dinner in Palo Duro Canyon where delegates saw a performance of "Texas." Saturday's highlights included forums at the civic center auditorium, a luncheon and style show at the civic center and a business session of the general assembly during the afternoon.

Activities concluded Sunday morning with a brunch and closing ritual.

Attending from Canyon's Xi Kappa Zeta Exemplar Chapter were Mrs. James Irwin, Mrs. Herbert Kuhlman, Mrs. Robert B. Brotherton, and also member-at-large Mrs. Elmer Clement.

Chi Upsilon Chapter was represented by Canyon members Mrs. Speck Benham, Mrs. Lewel Johnston, Mrs. Meade Michael, Mrs. Jack Sharp, and Mrs. Carl Sims.

Special events for husbands of Beta Sigma Phis were also scheduled, and attending those were Speck Benham, Lewel Johnston, Meade Michael and Carl Sims.

In the closing ritual, Miss Estelle Smith, a Houston attorney, became the first Texas member to receive Beta Sigma Phi's International Award of Distinction.

At the convention it was announced that Beta Sigma Phi chapters from Texas had given a total of \$9,651.67 to the Department of Pediatrics at the University of Texas Medical School at San Antonio for their work to combat the diseases of leukemia, cancer, liver damage and other children's diseases.

**Mrs. Wanda Giangregorio, left, mother of Mrs. Kelli McBride, from Leghorn, Italy, is visiting her children and grandchildren here in Canyon.** There is much news to exchange as it has been five years since her last visit with them.

## Visitor From Italy Will Summer Here

Mrs. Wanda Giangregorio has traveled thousands of miles from Italy to visit her children and grandchildren in Georgia and Texas this summer.

But although she finds life easygoing and Americans sincere and even-tempered, she would miss old friends and the varied pace of life in her homeland too much to remain permanently in this country.

On her third trip to this country, Mrs. Giangregorio arrived in Canyon on June 11 and plans to stay about three months in the home of her daughter, Mrs. Kelli McBride, and grandchildren, Gary 17, and Mary Lisa, 15, of 2416 10th Ave. She will also be visiting frequently with another grandson and his wife, Mr. and Mrs. George McBride, 2710 6th Ave., and another daughter, Mrs. Ines Cataldi, and grandson Steve, 19, of 609 16th St.

"Everyone was so helpful—so kind," she said, explaining how she managed to travel without mishap from Leghorn to Amarillo despite the fact she speaks very little English. Her daughter was acting as interpreter.

The blue-eyed, fair-haired visitor makes her home in a seaport city of half a million inhabitants located on the Italian Riviera. "Most tourists don't know much about it," she said, "because they usually speed through it on the way to Florence or Pisa."

Mrs. Giangregorio's husband, now deceased, was an army officer and they also had a real estate business. He was

sometimes assigned to temporary posts away from home even in a foreign land, but the family remained settled in Leghorn.

Her picture of the typical life of an Italian woman was a much more modern and liberated one than the dust-worn image some of us may have of peasant women picking grapes from the pages of old geography books.

Speaking with the vitality that Italians exude in their native tongue amplified with gestures, Mrs. McBride's mother made it clear that women in her country expect education, career opportunities, and salaries equal to those of men. "They have their own apartments, and drive their own cars just like American women," she said.

Unfortunately, with all the benefits of modernization come some of the problems, such as the generation gap, far-out fads, and the population explosion.

One of the serious concerns of Italian women is family planning by means of birth control. "Because women want good home environment, good education, and social standing for their children," she said, "they endorse birth control in preference to abortion." Child care centers for working mothers are common, but are usually under the parochial supervision of nuns.

According to Mrs. Giangregorio, Italian children are put through a strict educational system of 12 years that emphasizes the three R's in lower grades, academic subjects

in the upper grades, and languages throughout. In addition to his own language, a student usually has 8 years of Latin, several years of English, and perhaps one or two years of French and German as well.

"The schools are very strict, whether public or private, in Italy," she emphasized. "There are no extra-curricular activities in the schools. Instead, athletics, music, and other such activities are sponsored by civic associations."

Many people send their children to private schools run by Catholic orders. She herself was educated at such a private girl's school, as were her daughters.

Italians are fashion conscious, and items from Ferraris to Capparricio Shoes are well-known in this country. "Many fashion trends begin in Italy," Mrs. Giangregorio rather proudly pointed out. Her daughter confirmed that when her mother was here on a prior visit, she wore the square-toed shoes that only became popular in this country two years later. Midi-skirts, hot pants, wigs are some of the fads adopted, she said. One of her final statements was that large-brimmed hats are now widely worn in Italy and may be expected to be seen frequently in the United States in the near future.

## Former Canyon Man Is Official

Lubbock elementary school principal Frank Mullican, a graduate of West Texas State University, has been named secretary of the Texas Elementary Principals and Supervisors Association, according to Mrs. Shirley Hale of the organization.

Mullican is married to the former Doris Bourn, a graduate

of Canyon High School. He is the son-in-law of Mr. and Mrs. Ed Bourn of 2400 10th Ave.

The Lubbock principal has long been active in professional organizations. He is a former president of the Lubbock Classroom Teachers Association and is the new area membership chairman for the National Education Association. He took the Maedgen principal's post in 1962 after serving teaching and administrative assignments in Lubbock schools since 1956.

FRANK MULLICAN

## Lions Club Sells Fireworks

The Canyon Evening Lions Club has a fireworks stand south of Canyon city limits on

Highway 87, according to George Stevens, Lions past president who is in charge. It will be open Thursday and Friday beginning

at 5:30 p.m., Saturday and Sunday at 2:00 p.m., and all day on Monday, July 3 and 4.

Proceeds from the fireworks stand will be used to further assistance to Girl's Town, glasses for the needy, and help in a donation to fireworks for the city park display.

## Angels Lead Pee Wees

Little League Pee Wee players have shown much improvement in the baseball game this year, according to league officials.

The Angels, a team which has consistently remained in first place, is still way ahead of other teams, but officials say there is much improvement in the way the eight and nine year olds play.

In game action, the Senators take on the Cardinals at 5 p.m. Friday at Little League Park, and the Red Sox play the Angels at 6:30.

Saturday will see the Orioles going against the Red Sox at 5 p.m. and the Angels playing the Senators at 6:30.

## Art Therapy Program To Begin

First steps in creating a regular art therapy program at West Texas State University were taken this summer with the introduction of an individual problems course in the subject.

Art 441 was designed to bring into the curriculum of the art department the experience gained from its pioneering efforts in providing an art therapy program for the Northwest Texas Hospital Psychiatric Pavilion in Amarillo, says Dr. Emilio Caballero.

The course, which offers three semester hours of credit, involves active participation in the program at the pavilion. It also calls for the compilation of a research paper exploring individual problems in therapeutics as well as regular meetings with the pavilion staff.

Students are also required to keep a "journal" of their experiences and personal reflections during their therapy work, says Caballero, head of the art department.

The program was initiated last fall at the request of Dr. Temple Elliott of the pavilion staff. WTSU students conducted once-a-week therapy sessions involving a pilot group of adolescent and young adult patients.

Caballero says that since its beginning the program has flourished. The number of therapy sessions has gone to two a week and the number of students has increased from eight to 15, he adds.

"Art used in this way transcends the usual bonds of academic psychology and becomes involved in the whole field of education, which is seen as a process of helping the person to develop and not just the transmission of mechanical skills and information," he says.

Partly as a result of his pioneering work in art therapy at the pavilion, Caballero was recently elected to the American Psychological Association.

He is scheduled to speak on the value of art psychotherapy at the Texas Personnel and Guidance Association convention in Amarillo Oct. 12-14. The meeting is expected to draw approximately 1,200 public school and college counselors from across the state.

## Rickey Smiths Have Daughter

Mr. and Mrs. Rickey Smith, 1931 10th Ave., are the parents of a new daughter, Daena Dannise, born June 12 at Noblett Hospital. The infant weighed 6 lbs. at birth.

Maternal grandparents are Mr. and Mrs. Dan Gregory of Olton. Mr. and Mrs. Ed Smith of Olton are the paternal grandparents.

The Rickey Smiths are both senior students at West Texas State University.
